

**Paramedic to RN Transitional Associate in Science Admission Process
Admission Requirements Checklist
(Meeting minimum requirements does not guarantee admission)**

Term	**Applications Accepted	Application Review	Student Notified By MySPC E-mail
Fall: August (Evening)	March 1 - May 15	May 16 - June 30	July 1
Spring: January (Evening)	July 1 - September 15	September 16 - October 31	November 1

HEC Requirements

- Complete the [St. Petersburg College Admission Application](#) and pay the non-refundable fee.
***Note to Returning Students:** If you have not enrolled in courses in the **six** previous semesters, you will need to complete the online [Readmission Application in MySPC](#). You will be asked if you want to complete the readmission process when you log in to MySPC. Failure to do so will prohibit or delay your course enrollment.
- Submit official, unopened (sealed) high school transcript(s) or GED transcripts. We do not accept unofficial copies or official copies that have been opened. Applicants who have earned an Associate in Arts, Associate in Science, Associate in Applied Science, Baccalaureate, or higher degree from a regionally accredited institution are waived from this requirement.
- Submit official, unopened (sealed) transcripts from all regionally accredited colleges and/or universities. We do not accept unofficial copies or official copies that have been opened.
- Students must demonstrate they are at college level in Writing, Reading, and Math either through appropriate test scores or through appropriate course completion.
- Students must have a cumulative grade point average of 2.00 on a 4.00 scale in all postsecondary coursework. Your Academic Standing can have an impact on your admission, enrollment, and financial aid eligibility. See the SPC [Academic Standing Policy](#) for details.

Program Admissions

- Complete a minimum of 25 credits of the Nursing curriculum with grades of "C" or better, including the following Pre-Entry Requirements:
 - [Computer/Information Literacy Competency Requirement](#)
 - ENC 1101 Composition 1 (waived with a prior AA or higher degree)
 - BSC 2085/2085L Human Anatomy and Physiology I and Lab
 - BSC 2086/2086L Human Anatomy and Physiology II and Lab
 - PSY 1012 General Psychology
- Earn a minimum grade of "C" or better and earn a 2.75 minimum GPA on a 4.00 scale in all Pre-Entry, Support Courses, and General Education requirements included in the admission process.
- Earn a minimum grade of "C" or better and earn a 2.75 minimum GPA on a 4.00 scale in the following course requirements that are completed and being considered for admission: BSC 2085, BSC 2085L, BSC 2086, BSC 2086L, MCB 2010, and MCB 2010L.
- Students must complete the Pre-Entry and Support Course requirements within **three** attempts.
- Submit your Florida Paramedic certificate number and issue date. Note: This is to be kept current and unrestricted throughout the duration of the program. The Health Programs Application will provide the opportunity to input your required Paramedic license information as you complete the application.
- Students must read and acknowledge they are able to meet the [ASN Technical Standards](#).
- Submit the Health Programs Application for the Paramedic to RN Program at <https://web.spcollege.edu/hec/application/>.

*****All transcripts must be received and evaluated by St. Petersburg College by the application deadline to ensure consideration. It is the student's responsibility to ensure their application is complete.***

Selection Criteria

Due to enrollment limitations, meeting minimum requirements does not guarantee admission.

When the number of eligible applications exceed program availability, selective criteria is used to determine which applicants are offered admission. Tied scores are ranked by random drawing. The selective criteria is based on a point system using health program GPA, and completion of Pre-Entry, Support Courses, and General Education requirements, according to the following:

- 30 points may be awarded based on the number of health program Pre-Entry, Support Courses, and General Education requirements completed.
- 40 points may be awarded based on the health program GPA (grades earned from Pre-Entry, Support Courses, and General Education requirements).
- **All application requirements must be satisfied by the close of the application window.**

If you are not offered admission, you will need to reapply during the next appropriate application acceptance period.

If you are offered admission you will need to complete the following pre-enrollment requirements by a specific due date to maintain eligible status:

- Complete the Letter of Intent Survey by the deadline stated in the Admission Offer Email that will be sent to your SPC student email address.
- Successfully pass a [drug and background/fingerprint screening](#) by the deadline stated in your Admission Offer Email (completion typically required within 2 weeks of admission offer). Please note Estimated Costs below.
- Complete the Health Examination Form and any required immunizations by the first Friday of your first term.
- Complete the mandatory Health Education Program Orientation on the date provided in your Admission E-Mail (Please clear your calendar so you are available to attend the mandatory Orientation if you are offered admission as follows: Fall Term – plan to attend Orientation in July; Spring Term – plan to attend Orientation in November; Summer Term – plan to attend Orientation in March).

Program Admission Statistics

On average, approximately 20 students apply for admission each application period. Of these, typically 6 are accepted. The average GPA for acceptance varies based on the pool of applicants, but typically falls between 3.1 and 3.8 with an average GPA of 3.4 and 29 of 30 credits complete.

Program Information

Program days and times may vary. You should plan to attend 4 - 5 evenings per week. Evening classes are generally between the hours of 1 p.m. to 11 p.m., and Evening students continue taking Nursing courses in the Summer. The location of clinical sites may vary. Please plan accordingly to ensure you have proper transportation.

Estimated Costs

* ¹ Tuition	**Physical & Immunizations	Drug & Background Check	Uniforms, Special Equipment Lab Fees & Other Costs	Textbooks	State Exam & License Fees	Total
\$4,695	\$1,000	\$188	\$2,255	\$2,026	\$410	\$10,574

*[Tuition](#) is estimated using the Florida resident rates. Out-of-state residents will have higher tuition fees.

¹Tuition is for core coursework only. Pre-Entry, General Education and Support Courses are not included.

** These are high estimates; actual costs will vary depending on health insurance coverage.

Program Information

An admission status email will be sent to your SPC email address. Please review your advisement report in MySPC, as only your advisement report will serve as your degree audit when your file is reviewed for admission to the nursing curriculum.

To access your advisement report, login to [MySPC](#), choose My Learning Plan, select Advisement tab, and then "Create a what-if scenario" then "Create New Report" for academic program: AS, academic plan: NURSE-AS, and "Submit Report". If you have any questions about the outstanding requirements listed on your report, please [contact an advisor](#).

Ensuring Course Requirements are Satisfied

*It is the student's responsibility to make sure transfer coursework meets the course requirements for SPC.

Courses that transfer in as "Elective" 1999, 2999, 3999 or 4999 do not satisfy requirements. The student may request an Alternate Satisfaction for the specific course to see if the course will meet the specific requirements.

Ex: If speech transfers in as: SPC 1999, it does not meet the requirement for speech. If an alternate satisfaction is requested and approved, the speech requirement would be met.

To initiate the alternate satisfaction request/review process:

Complete the Alternative Satisfaction Survey, which is now active at <https://web.spcollege.edu/survey/21215>:

Alternative Satisfaction Survey

Before you begin filling out this form, be sure to have the following available to upload:

- 1 - The syllabus of the course you wish to use to satisfy an SPC course (PDF or Word formats only).
- 2 - If the course was completed at another institution, an unofficial or official transcript (PDF or Word formats only).

Evaluating/Posting Transfer Credit to Your SPC Records

Direct questions regarding transfer credit evaluation to transcript.evaluator@spcollege.edu

****Students need to send an email from their SPC email address and include the following information when contacting Admissions and Records:**

Student Name and SPC Student ID Number

Course prefix, number, title and term/year completed as it appears on student's original transcript

Accessibility Services St. Petersburg College is committed to providing quality education and services to all students by ensuring that admission, academic programs, support services, student activities, and campus facilities are accessible to and usable by qualified students with disabilities. Each specific health program has its own [technical standards](#) which all students must meet with or without an accommodation(s). To help students achieve success, Accessibility Services works with students, faculty, and staff to coordinate the provision of reasonable accommodations. To put your accommodations in place, please contact the Health Education Center (HEC) Accessibility Services (AS) at 727-341-3721 or <http://www.spcollege.edu/accessibility/> even if you are registered with another campus.

<i>A minimum of 25 credits of the following Pre-Entry, Support Courses & General Education credits must be completed prior to the application deadline:</i>	CREDIT POINTS						
PRE-ENTRY REQUIREMENTS (14 credits) - May not be satisfied by an Associate in Arts or higher degree.							
Computer/Information Literacy Competency Requirement – (No minimum credit, Not calculated in GPA)	0						
ENC 1101 – Composition I or (Honors) (This is the only Pre-Entry Requirement that is waived with an Associate in Arts or higher degree.)	3						
BSC 2085 – Human Anatomy & Physiology I	3						
BSC 2085L – Human Anatomy & Physiology Laboratory I	1						
BSC 2086 – Human Anatomy & Physiology II	3						
BSC 2086L – Human Anatomy & Physiology Laboratory II	1						
PSY 1012 – General Psychology or (Honors)	3						
SUPPORT COURSES (10 credits) - May not be satisfied by an Associate in Arts or higher degree.							
PHI 1600 – Applied Ethics or (PHI 1602H)	3						
STA 2023 – Elementary Statistics or (Honors)	3

PARAMEDIC to RN TRANSITIONAL FLEX SCHEDULING

- In order to be eligible for Paramedic-RN Flex Scheduling, the following must be met:
 - The student must work for county fire department, and have a 24 hours on and 48 hours off regular shift. It does not accommodate a paramedic student who is working for another setting such as hospital ER or patient-care technician.
 - The student must be able to attend at least 2/3 of all scheduled class time, including theory, on-campus lab, and clinical. There will be no other absences allowed. If sickness or emergency happens, please contact course faculty and level academic chair to be considered for extenuating circumstances.
 - The student must supply a calendar of fire department working schedule to all course faculty and level academic chairs by the first week of new semester. The calendar must be validated by the student's supervisor at the fire department with contact information and signature. If there is any change during the semester, student is required to inform the faculty of the change and provide a new calendar. Student is expected to arrive to classes on time.
 - Student must maintain academic and clinical performance standards at all times.
