Independent Auditor's Report

To the Board of Trustees of St. Petersburg College
On Behalf of St. Petersburg College Collegiate High School
St. Petersburg, Florida

Report On The Financial Statements

We have audited the accompanying special purpose financial statements of St. Petersburg College Collegiate High School, a Charter School and a Restricted Fund of St. Petersburg College, St. Petersburg, Florida (the Collegiate High School), as of and for the years ended June 30, 2013 and 2012, and the related notes to the financial statements, which collectively comprise St. Petersburg Collegiate High School's basic financial statements as listed in the table of contents.

Management's Responsibility For The Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the special purpose financial statements referred to above present fairly, in all material respects, the financial position of St. Petersburg College Collegiate High School as of June 30, 2013 and 2012, and the changes in financial position and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Other Matters

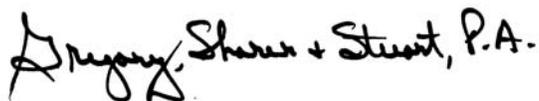

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 5 through 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required By Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 25, 2013 on our consideration of St. Petersburg College Collegiate High School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering St. Petersburg College Collegiate High School's internal control over financial reporting and compliance

Management's Discussion And Analysis
June 30, 2013 And 2012

Management's discussion and analysis of St. Petersburg College Collegiate High School's (Collegiate High School) financial statements provides an overview of the Collegiate High School's financial activities for the years ended June 30, 2013, 2012 and 2011. Management has prepared the accompanying financial statements and the related footnote disclosures along with the discussion and analysis. Responsibility for the completeness and fairness of this information rests with school management. The discussion and analysis contain financial activities of the Collegiate High School as a restricted fund of St. Petersburg College.

Financial Highlights

For the year ended June 30, 2013, Collegiate High School expenses exceeded revenues, resulting in a net position balance of \$851,223. This represents a decrease in net position of \$6,419 over the year ended June 30, 2012. During the 2012-2013 school year, the Collegiate High School conducted operations with revenues of \$1,226,877. This figure represents an increase in revenues of \$87,005 over the year ended June 30, 2012. All revenues are nonoperating revenues and include Florida Education Finance Program (FEFP), Charter School Capital Outlay Funds for Fiscal Year 2012-2013, and a 2012-2013 State of Florida school recognition award.

For the year ended June 30, 2012, Collegiate High School expenses exceeded revenues, resulting in a net asset balance of \$857,642. This represents a decrease in net assets of \$97,635 over the year ended June 30, 2011. During the 2011-2012 school year, the Collegiate High School conducted operations with revenues of \$1,139,872. This figure represents a decrease in revenues of \$168,041 over the year ended June 30, 2011. All revenues are nonoperating revenues and include Florida Education Finance Program (FEFP), Charter School Capital Outlay Funds for Fiscal Year 2011-2012, and a 2011-2012 State of Florida school recognition award.

Using This Annual Report

This report consists of three basic financial statements: the statements of net position; the statements of revenues, expenses, and change in net position; and the statements of cash flows. These financial statements are prepared in accordance with Governmental Accounting Standards Board (GASB) principles, which establish standards for external financial reporting for public colleges and universities. These statements provide information on the Collegiate High School as a whole and, over time, will present a long-term view of the Collegiate High School's finances and fiscal health.

The Collegiate High School, located on the St. Petersburg-Gibbs campus, is a public charter school of the Pinellas County School District open to Pinellas County public, private, and home-schooled students who are in grades 10 through 12. Students entering grades 10 or 11 are accepted into the program. The purpose of the Collegiate High School is to provide academic educational opportunities for students who are emotionally and academically prepared to participate in college-level studies. The three-year curriculum allows serious students to simultaneously complete the requirements for a high school diploma and an Associate in Arts degree from St. Petersburg College. The educational programs are distinctive in that they meld secondary and post-secondary curricula. The programs employ various instructional techniques to accommodate different learning styles, use of technology across the curriculum and utilization of extensive group and individual counseling and mentoring. The high school has received an "A" rating every year since it opened in 2004.

The Collegiate High School is organized by a nonprofit organization, St. Petersburg College (College). The College is governed by a local board of trustees appointed by the governor of the state of Florida. The Southern Association of Colleges and Schools accredits the College. The board of trustees of the College employs a president to act on its behalf in implementing its policies and to serve as the chief administrative officer of the College. The organizing board also serves as the "Governing Board" of the Collegiate High School.

June 30, 2013 And 2012

The contract between the board of trustees of St. Petersburg College on behalf of the Collegiate High School and the School Board of Pinellas County was renewed. The charter became effective July 1, 2009 and shall end on June 30, 2024. The charter stipulates that the Collegiate High School shall serve students in grades 10 through 12, with a maximum funded school enrollment of 230 students.

The Collegiate High School is recognized as a separate and discrete department in the accounting system of St. Petersburg College. Currently, the State of Florida Auditor General's Office audits the College's financials and operations. The College currently adheres to internal control procedures contained in the Board of Trustee Rules and the Accounting Manual for Florida's College System. The College has also established additional internal control procedures in accordance with standards contained in the Florida Schools Red Book and other stipulated guidelines for charter schools.

Statements of Net Position And Statements of Revenues, Expenses, and Change in Net Position

One of the most important questions asked about the institution's finances is "Is St. Petersburg College Collegiate High School, as a whole, better or worse off as a result of the year's activities?" The statements of net position and the statements of revenues, expenses, and change in net position report information on the institution as a whole and on its activities in a way that helps answer this question. When revenues and other support exceed expenses, the result is an increase in net position. When the reverse occurs, the result is a decrease in net position. The relationship between revenues and expenses may be thought of as St. Petersburg College Collegiate High School's operating results.

These two statements report the Collegiate High School's net position and change in them. You can think of the Collegiate High School's net position, the difference between assets and liabilities, as one way to measure the institution's financial health or financial position. Over time, increases or decreases in the institution's net position are one indicator of whether its financial health is improving or deteriorating.

The statements of net position and the statements of revenues, expenses, and change in net position include all assets, liabilities, revenues, and expenses using the accrual basis of accounting, which is similar to the accounting used by most private-sector institutions. All of the current year's revenues and expenses are taken into consideration regardless of when cash is received or paid. Condensed statements of assets, liabilities, and net position for the Collegiate High School at June 30, 2013, 2012 and 2011 are shown in the following table:

Management's Discussion And Analysis
June 30, 2013 And 2012

The condensed statements of net position show the assets, liabilities, and net position for the years ended June 30, 2013, 2012, and 2011. Assets consist primarily of cash and cash equivalents. Current assets decreased by \$7,050 or 0.8% during 2013, and decreased by \$99,199 or 10.3% during 2012. Liabilities decreased by \$631 or 25.8% during 2013. This is primarily due to a decrease in accounts payable. Current liabilities decreased by \$1,564 or 38.9% during 2012.

The statements of revenues, expenses, and change in net position present the Collegiate High School's results of operations. In accordance with GASB reporting principles, revenues, and expenses are classified as either operating or nonoperating. All Collegiate High School revenues are considered nonoperating revenues under GASB. Condensed statements of revenues, expenses, and change in net assets of the Collegiate High School for the years ended June 30, 2013, 2012, and 2011 are presented in the following table:

	Year Ended June 30,

Statements of Cash Flows

The statements of cash flows provide another way to assess the financial health of an institution. Its primary purpose is to provide relevant information about the cash receipts and cash payments of an entity during a period. The statements of cash flows also help users assess:

- An entity's ability to generate future net cash flows,
- Its ability to meet its obligations as they come due, and
- Its need for external financing.

A summary of the Collegiate High School's statements of cash flows for the years ended June 30, 2013, 2012, and 2011 is shown in the following table:

	Year Ended June 30,		
	2013	2012	2011
Cash (Used) Provided By			
Operating activities	\$ (1,242,743)	\$ (1,232,740)	\$ (1,275,458)
Noncapital financing activities	1,145,730	1,031,877	1,183,747
Capital and related financing activities	81,147	107,995	124,166

Cash And Cash Equivalents At End Of Year	\$ 837,087	\$ 852,953	\$ 945,821

Cash used for operating activities was \$1,242,743 for the year ended June 30, 2013 compared to \$1,232,740 and \$1,275,458 for the years ended June 30, 2012 and June 30, 2011, respectively. Uses of cash during 2013, 2012, and 2011 included payments to employees of \$ 631,551, \$620,576, \$603,780; payments for facilities lease of \$180,741, \$177,197, and \$173,723; payments to suppliers of \$173,423, \$185,312, and \$219,520; benefit payments of \$171,025, \$164,340, and \$185,563; and payments for other services of \$86,003, \$85,315 and \$92,872, respectively. Payroll, benefits, payments to suppliers and facilities lease are the major outflows of operating activities.

Cash provided by noncapital financing activities was \$1,145,730 for the year ended June 30, 2013 compared to \$1,031,877 and \$1,183,747 for the years ended June 30, 2012 and June 30, 2011, respectively. These amounts primarily represent state appropriations passed through the Pinellas County School District and awards.

Cash provided by capital and related financing activities including capital outlay funding was \$81,147 for the year ended June 30, 2013, which was a decrease of \$26,848 from 2012 compared to a \$16,171 decrease from 2011.

Economic Factors That Will Affect The Future

The economic position of St. Petersburg Collegiate High School (SPCHS) continues to be closely tied to that of the state of Florida. It is expected that SPCHS will continue to maintain its present level of services and financial health.

For the 2012-2013 school year, there was an increase in per-student allocation funding and a reduction in Capital Outlay funding, due to more schools qualifying for the funds that resulted in an unexpected decrease in funding. In an effort to minimize the impact of this reduction in funding the following action was taken:

- St. Petersburg Collegiate High School maintained High Performing Charter School status thereby continuing to pay a reduced administrative fee of 2% instead of 5% to Pinellas County Schools.
- The Governing Board and Pinellas County Schools agreed that enrollment would be increased by 15 students for the 2012-2013 school year and an additional 15 students for the 2013-2014 school year.

For the school year 2013-2014, the initial FTE calculation indicates a slight increase in annual charter revenue. The anticipated expenditures for the 2013-2014 school year may increase by an amount greater than the projected revenue; however, any shortfall will be covered by the Collegiate High School's unrestricted net assets. The renewed Charter School contract became effective on July 1, 2009 for a period of fifteen (15) years, which is the longest term pursuant to Florida law. This contract was amended on April 9, 2013 to reflect the enrollment increase from 200 to 230 students and reflects the increase in funding for the additional students. The contract became effective upon the signing of both parties and will continue through June 30, 2024. Pinellas County Schools previously agreed to the increase in student enrollment mentioned above. Therefore, St. Petersburg Collegiate High School received funding for 215 students for the 2012-13 school year and will receive funding for 230 students for the 2013-2014 school year as noted in the contract amendment.

Note A - Nature Of Activities And Summary Of Significant Accounting Policies

Nature of Activities

The St. Petersburg College Collegiate High School (Collegiate High School) is a restricted fund of St. Petersburg College (the College). The general operating authority of the Collegiate High School is contained in Section 1002.33, Florida Statutes. The Collegiate High School operates under a charter with the sponsoring school district, the School Board of Pinellas County (Sponsor or District). The initial charter was renewed on November 11, 2008 for a period of 15 years. The renewed charter became effective on July 1, 2009 and is effective through June 30, 2024. The charter can be renewed every five school years or longer by mutual written agreement of the parties, pursuant to Florida law. At the end of the term of the charter, the Sponsor may choose not to renew the charter under grounds specified in the charter, in which case, the Sponsor is required to notify the Collegiate High School in writing at least 90 days prior to the charter's expiration. During the term of the charter, the Sponsor may also terminate the charter if good cause is shown. The Collegiate High School shall notify the Sponsor in writing at least 90 days prior to the expiration of the charter as to its intent to renew or not renew.

Basis of Presentation

The records of the Collegiate High School are maintained as a fund on the books of the College and, accordingly, they follow the same basis of presentation. The Collegiate High School's accounting policies conform to accounting principles generally accepted in the United States of America applicable to colleges and universities as prescribed by the Governmental Accounting Standards Board (GASB). The National Association of College and University Business Officers (NACUBO) also provides the College with recommendations prescribed in accordance with generally accepted accounting principles promulgated by GASB and the Financial Accounting Standards Board.

GASB allows public colleges and universities the option of reporting as a special-purpose government either engaged in only business-type activities, or engaged in both governmental and business-type activities. The College elected to report as an entity engaged in only business-type activities. Therefore, these special purpose financial statements are presented accordingly.

Basis of Accounting

Basis of accounting refers to when revenues, expenses, and related assets and liabilities are recognized in the accounts and reported in the financial statements. Specifically, it relates to the timing of the measurements made, regardless of the measurement focus applied. The Collegiate High School's financial statements are presented using the economic resource measurement focus and accrual basis of accounting. Revenues, expenses, gains, losses, assets, and liabilities resulting from nonexchange activities are generally recognized when all applicable eligibility requirements, including time requirements, are met.

The Collegiate High School's principal activity is instruction. Operating expenses include all fiscal transactions related to instruction as well as administration, academic support, student services, and physical plant operations. Nonoperating revenues include state appropriations from the county school district, a State of Florida School Recognition Award, Charter School Capital Outlay Funds, and other grants. The Collegiate High School follows Financial Accounting Standards Board statements and interpretations issued after November 30, 1989, unless those pronouncements conflict with GASB pronouncements.

Accounts Receivable

Management considers all receivables to be collectible. Accordingly, no allowance for uncollectible accounts has been provided at June 30, 2013.

Cash and Cash Equivalents

Amounts reported as cash and cash equivalents consist of cash on hand and cash in demand deposit accounts. Cash deposits of the Collegiate High School are held by banks qualified as public depositories under Florida Statute Chapter 280. All such deposits are insured by federal depository insurance or collateralized with securities held in Florida's multiple financial institution collateral pool.

For purposes of the statement of cash flows, the Collegiate High School considers all unrestricted and restricted highly liquid investments, such as money market accounts, to be cash equivalents.

Capital Assets

The Collegiate High School uses the policies of the College for capitalization and depreciation. The Collegiate High School has a capitalization threshold of \$5,000 for tangible personal property and \$25,000 for improvements other than buildings. There were no capital assets as of June 30, 2013 and 2012.

Net Position

The Collegiate High School's net position is classified into the following categories:

Restricted For Capital Outlay Projects - Expendable: Net position that must be used for the purchase, lease-purchase, or lease of permanent or relocatable school facilities and for the payment of the premiums for property and casualty insurance necessary to insure the school facilities. There were no amounts restricted for capital outlay projects as of June 30, 2013 and 2012.

Unrestricted: All other categories of net position.

When both restricted and unrestricted resources are available to fund capital outlay projects, it is the Collegiate High School's policy to first apply the restricted resources to such projects followed by the use of unrestricted resources.

Revenue Sources

Revenue for current operations is received primarily from the School Board of Pinellas County, Florida pursuant to the funding provisions included in the Collegiate High School's charter. In accordance with the funding provisions of the Charter and Section 1002.33 (18)(b), Florida Statutes, the Collegiate High School reports the number of full-time equivalent (FTE) students and related data to the District. State appropriations, capital outlay funds, awards, contributions, and grant funding are classified as nonoperating revenue. The level of the Collegiate High School's operations and program services may be impacted or discontinued if funding is not renewed.

Subsequent Events

Management has evaluated all events subsequent to the statement of net position date of June 30, 2013 through September 25, 2013, which is the date the financial statements were available to be issued. There were no subsequent events which would require adjustment to or disclosure in the accompanying financial statements.

Note B - Accounts Receivable

Accounts receivable as of June 30, 2013 consist of the following receivables: \$3,310 representing the June 2013 allocation for capital outlay funding due from the Pinellas County School Board; and \$1,601 representing a reimbursement from the St. Petersburg College Foundation, Inc., a direct support organization of the College, for payment of Verizon Wireless. Both were collected in July 2013. There were no accounts receivable as of June 30, 2012.

Note C - Functional Distribution of Expenses

Operating expenses on the statements of revenues, expenses, and change in net position are presented in their natural classifications. Below are those same expenses presented in functional classifications as recommended by NACUBO. The functional classification is assigned to a department based on the nature of the activity, which represents the material portion of the activity attributable to the department. Functional classification of expenses for the years ended June 30 is summarized in the following table:

	<u>2013</u>	<u>2012</u>
Instruction	\$ 536,170	\$ 598,785
Academic support	697,126	638,722
Total Operating Expenses	<u>\$ 1,233,296</u>	<u>\$ 1,237,507</u>

Note D - State Retirement Programs

Florida Retirement System

Essentially all regular employees of the College, including the Collegiate High School, are eligible to enroll as members of the State administered Florida Retirement System (FRS). Provisions relating to FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and Florida Retirement System Rules, Chapter 60S, Florida Administrative Code wherein eligibility, contributions, and benefits are defined and described in detail. FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), a Deferred Retirement Option Program (DROP), and a defined contribution plan, referred to as the Florida Retirement System Investment Plan (Investment Plan), formerly known as the Public Employee Optional Retirement Program.

Notes To Financial Statements
June 30, 2013 And 2012

Employees enrolled in the Plan prior to July 1, 2011 vest at six years of creditable service, and employees enrolled in the Plan on or after July 1, 2011 vest at eight years of creditable service. All vested members enrolled prior to July 1, 2011 are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. All members enrolled in the Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Members of both Plans may include up to four years of credit for military service toward creditable service. The Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments.

As provided in Section 121.4501, Florida Statutes, eligible FRS members may elect to participate in the Investment Plan in lieu of the FRS defined-benefit plan. The Collegiate High School employees already participating in the State College System Optional Retirement Program or the DROP are not eligible to participate in the Investment Plan. Employer contributions are defined by law, but the ultimate benefit depends in part on the performance of investment funds. The Investment Plan is funded by employer and employee contributions that are based on salary and membership class (Regular Class, Senior Management Service Class, etc.). Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Employees in the Investment Plan vest at one year of service for employer contributions and vest fully and immediately for employee contributions.

A Deferred Retirement Option Program (DROP), subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with a Florida Retirement System employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate. During the period of DROP participation, deferred monthly benefits are held in the Florida Retirement System Fund and accrue interest.

The state of Florida establishes contribution rates for participating employers and employees. Contribution rates during for the year ended June 30, 2013 were as follows:

Class or Plan	Percent of Gross Salary	
	Employee	Employer(a)
Florida Retirement System - regular	3%	5.18%
Florida Retirement System - senior management service	3%	6.30%
Deferred Option Program - applicable to members from all of the above classes or plan	0%	5.44%

Note: (a) Employer rates include 1.11% for the post-employment health insurance subsidy. Also, employer rates, other than for DROP participants, include .03% for administrative costs of the Investment Plan.

The Collegiate High School's liability for participation is limited to the payment of the required contribution at the rates and frequencies established by law on future payrolls of the College. The Collegiate High School's contributions to the state administered Florida Retirement System for the years ended June 30, 2013 and 2012 were \$29,303 and \$27,213, respectively, which were equal to the required contributions for each year.

Effective July 1, 2011, employees were required to contribute 3% to their respective state administered retirement plan. During the year ended June 30, 2013, there were six Collegiate High School participants enrolled in the Plan and there were five Collegiate High School participants enrolled in the Investment Plan. Employee contributions totaled \$17,030 and \$16,425 for the years ended June 30, 2013 and 2012, respectively.

Financial statements and other supplementary information of the FRS are included in the State's Comprehensive Annual Financial Report, which is available from the Florida Department of Financial Services. An annual report on the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from the Florida Department of Management Services, Division of Retirement.

State College System Optional Retirement Program

Section 1012.875, Florida Statutes, provides for an Optional Retirement Program (Program) for eligible charter school instructors and administrators. The Program is designed to aid colleges in recruiting employees by offering more portability to employees not expected to remain in the FRS for six or more years.

The Program is a defined-contribution plan, which provides full and immediate vesting of all contributions submitted to the participating companies on behalf of the participant. Employees in eligible positions can make an irrevocable election to participate in the Program, rather than the FRS, and purchase retirement and death benefits through contracts provided by certain insurance carriers. The employing college contributes, on behalf of the participant, 5.64% of the participant's salary, less a small amount used to cover administrative costs and employees contribute three percent of the employee's salary. Additionally, the employee may contribute, by payroll deduction, an amount not to exceed the percentage contributed by the charter school to the participant's annuity account. The contributions are invested in the company or companies selected by the participant to create a fund for the purchase of annuities at retirement.

There was one Collegiate High School employee participating during the years ended June 30, 2013 and 2012. The Collegiate High School's contributions to the Program for the years ended June 30, 2013 and 2012 were \$3,499 and \$4,983, respectively. Effective July 1, 2011, employees were required to contribute 3%, employee contributions totaled \$1,978 and \$1,896 for the years ended June 30, 2013 and 2012, respectively.

Note E - Risk Management Programs

The College is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The College provided coverage for these risks through a self-insured program and the Florida Community Colleges Risk Management Consortium. The Collegiate High School is part of the College's self-insured program for risk management.

Self-Insured Program

The board of trustees of the College has established an individual self-insured program to provide group health and dental insurance for College employees, retirees, former employees, and their dependents. The College's liability was limited by excess reinsurance to \$350,000 per insured person for the years ended June 30, 2013 and 2012. The plan is provided by an insurance company licensed by the State of Florida, Department of Financial Services, Office of Insurance Regulation. The College contributes a portion of employee premiums as a fringe benefit. The remaining portion of the employee premium and dependent coverage is by payroll deduction. Coverage for retirees, former employees, and their dependents is by prepaid premium. The Collegiate High School is part of the College's self-insured program for group health insurance benefits.

Consortium

The College participated in the Florida Community Colleges Risk Management Consortium (the Consortium) which was created under authority of Section 1001.64(27), Florida Statutes, by the boards of trustees of Florida public community colleges for the purpose of joining a cooperative effort to develop, implement, and participate in a coordinated statewide community college risk management program.

The Consortium is self-sustaining through member assessments (premiums) and is reinsured through commercial companies for claims in excess of specified amounts. Insurance coverage obtained through the Consortium included fire and extended property, general and automobile liability, workers' compensation, and other liability coverage. Settled claims resulting from these risks have not exceeded coverage in any of the past three years. The Collegiate High School is part of the College's participation in the Consortium.

Note F - Litigation

The College is involved in several pending and threatened legal actions not related to the Collegiate High School. The range of potential loss from all such claims and actions, as estimated by the College's attorney and management, should not materially affect the financial condition of the College or the Collegiate High School.

Note G - Related Parties

The College’s Auxiliary Fund purchased the portable classrooms to be used exclusively by the Collegiate High School. Prior to September 1, 2007, there was an informal internal arrangement whereby the Collegiate High School repaid to the Auxiliary Fund the cost of the portable classrooms, the associated build-out, and connectivity to other College owned assets, along with the estimated value of investment earnings forfeited by the Auxiliary Fund.

This arrangement was replaced with a formal lease agreement between St. Petersburg College Collegiate High School and St. Petersburg College. The term of the lease agreement is 30 years commencing on September 1, 2007. The lease was amended in March 2009. The amendment was necessary since the Collegiate High School moved into its new facilities on the second floor of the new Student Services Building in January 2009. Either party may terminate this agreement upon giving the other party no less than 360 days notice. The Collegiate High School will pay to the College base rent for the leased premises for each year during the lease term in the amount of \$15 per square foot or \$168,630. The base rent shall escalate on the anniversary date of each year during the lease term at a rate of 2% from the immediately preceding year’s base rent. Lease payments made for the years ended June 30, 2013 and 2012 were \$180,741 and \$177,197, respectively.

Scheduled lease payments for future periods under the operating lease with the College are as follows:

Year Ending June 30,	
2014	\$ 184,356
2015	188,043
2016	191,804
2017	195,640
2018	199,553
2019-2023	1,059,250
2024-2028	1,169,497
2029-2033	1,291,220
2034-2037	982,291
	<u>\$ 5,461,654</u>

The Collegiate High School receives annual Capital Outlay funding. This recurring capital outlay allocation and net assets restricted for capital outlay projects are expected to be insufficient to cover the lease payments, as well as meet other capital outlay requirements of the Collegiate High School. The Collegiate High School does not have any net assets restricted for capital outlay projects at June 30, 2013 and 2012.

Note H - Operating Lease Commitments

The Collegiate High School leases computer equipment and a copier under operating leases. The computer leases expire in 2014, with the final payment made in fiscal year 2013. The copier lease expires in 2018. These leased assets and the related commitments are not reported on the Collegiate High School’s statement of net position. Operating lease payments are recorded as expenses when paid or incurred. Future minimum lease commitments for noncancelable operating leases are as follows:

Year Ending June 30,	
2014	\$ 1,147
2015	1,147
2016	1,147
2017	1,147
2018	765
	<u>\$ 5,353</u>

**Independent Auditor's Report On Internal Control Over Financial Reporting
And On Compliance And Other Matters Based On An Audit Of Financial Statements
Performed In Accordance With *Government Auditing Standards***

To the Board of Trustees of St. Petersburg College
On Behalf of St. Petersburg College Collegiate High School
St. Petersburg, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the special purpose financial statements of St. Petersburg College Collegiate High School as of and for the year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise St. Petersburg College Collegiate High School's basic financial statements, and have issued our report thereon dated September 25, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered St. Petersburg College Collegiate High School's internal control over financial reporting (internal control) to determine audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of St. Petersburg College Collegiate High School's internal control. Accordingly, we do not express an opinion on the effectiveness of St. Petersburg College Collegiate High School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charges with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance And Other Matters

As part of obtaining reasonable assurance about whether St. Petersburg College Collegiate High School's special purpose financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose Of This Report

This purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Management Letter

To the Board of Trustees of St. Petersburg College
On Behalf of St. Petersburg College Collegiate High School
St. Petersburg, Florida

We have audited the special purpose financial statements of St. Petersburg College Collegiate High School as of and for the fiscal year ended June 30, 2013, and have issued our report thereon dated September 25, 2013.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. We have also issued our Independent Auditor's Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards*. Disclosures in that report, if any, which is dated September 25, 2013, should be considered in conjunction with this management letter.

Additionally, our audit was conducted in accordance with the provisions of Chapter 10.850, Rules of the Auditor General, which governs the conduct of charter schools and similar entity audits performed in the State of Florida. This letter includes the following information, which is not included in the aforementioned auditor's reports:

- Section 10.854(1)(e)1, Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no findings or recommendations made in the June 30, 2012 financial audit report.
- Section 10.854(1)(e)2, Rules of the Auditor General, requires a statement be included as to whether or not the school has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that St. Petersburg College Collegiate High School did not meet any of the conditions described in Section 218.503(1), Florida Statutes, which may result in a state of financial emergency.
- Section 10.854(1)(e)3, Rules of the Auditor General, requires that we address in the management letter any recommendations to improve the school's financial management. In connection with our audit, we did not have any such recommendations.
- Section 10.854(1)(e)4, Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants attention of those charged with governance. In connection with our audit, we did not have any such findings.
- Section 10.854(1)(e)5, Rules of the Auditor General, requires the name or official title of the entity. The official title of the entity is St. Petersburg College Collegiate High School.
- Pursuant to Sections 10.854(1)(e)6.a and 10.855(11), Rules of the Auditor General, we applied financial condition assessment procedures as of June 30, 2013. It is management's responsibility to monitor the St. Petersburg College Collegiate High School's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Pursuant to Chapter 119, Florida Statutes, this management letter is a public record and its distribution is not limited. Auditing standards generally accepted in the United States of America require us to indicate that this letter is intended solely for the information and use of the board of trustees of St. Petersburg College, the management of St. Petersburg College Collegiate High School, and the Florida Auditor General, and is not intended to be and should not be used by anyone other than these specified parties.

Dear Sir or Madam:

This representation letter is provided in connection with your audits of the special purpose financial statements of St. Petersburg College Collegiate High School (Collegiate High School) which comprise the statements of net position as of June 30, 2013 and 2012. Also included are the related statements of revenues, expenses, and change in net position and cash flows for the years then ended, as well as related notes to the special purpose financial statements for the purpose of expressing an opinion on whether the financial statements are presented fairly, in all material respects in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

We confirm, to the best of our knowledge and belief, as of September 25, 2013 the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated May 16, 2011, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
5. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
6. All events subsequent to the date of the special purpose financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
7. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.

8. The following have been properly recorded and/or disclosed in the special purpose financial statements:
 - a) Net position and net asset class.
 - b) All leases and material amounts of rental obligations under long-term leases.
 - c) All significant estimates and material concentrations known to management which are to be disclosed in accordance with the Risks and Uncertainties Topic of the FASB Accounting Standards Codification. Significant estimates are estimates at the statement of net position date which could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets for which events could occur which would significantly disrupt normal finances within the next year.
 - d) Concentrations of credit risk.
 - e) All recordable contributions, by appropriate net asset class.
 - f) Allocations of functional expenses based on a reasonable basis.

9. We have no plans or intentions that may materially affect the carrying value or classification of assets. In that regard:
 - a) The Collegiate High School has no significant amounts of idle property and equipment.
 - b) The Collegiate High School has no plans or intentions to discontinue any operations.
 - c) Provision has been made to reduce all assets that have permanently declined in value to their realizable values.

10. We are responsible for making the accounting estimates included in the special purpose financial statements. Those estimates reflect our judgment based on our knowledge and experience about past and current events and our assumptions about conditions we expect to exist and courses of action we expect to take. In that regard, adequate provisions have been made:
 - a) To reduce receivables to their estimated net collectable amounts.
 - b) For pension obligations, postretirement benefits other than pensions and deferred compensation agreements attributable to employee services rendered through June 30, 2013.

11. There are no:
 - a) Material transactions that have not been properly recorded in the accounting records underlying the special purpose financial statements.
 - b) Violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency. In that regard, we specifically represent that we have not been designated as, or alleged to be, a "potentially responsible party" by the Environmental Protection Agency in connection with any environmental contamination.

- c) Other material liabilities or gain or loss contingencies that are required to be accrued or disclosed by the Contingencies Topic of the FASB Accounting Standards Codification.
 - d) Guarantees, whether written or oral, under which the Collegiate High School is contingently liable.
 - e) Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances.
 - f) Lines of credit or similar arrangements.
 - g) Amounts of contractual obligations for plant construction and/or purchase of real property, equipment, other assets, and intangibles.
 - h) Liabilities that are subordinated to any other actual or possible liabilities of the Collegiate High School.
12. The Collegiate High School has satisfactory title to all owned assets.
13. Net position components are properly classified and, when applicable, approved.
14. Expenses or expenditures have been appropriately classified in or allocated to functions and programs in the statement of revenues, expenses, and change in net position, and allocations have been made on a reasonable basis.
15. Revenues are appropriately classified in the statements of revenues, expenses, and change in net position within operating revenue and nonoperating revenue.
16. We have complied with all aspects of contractual agreements, grants, and donor restrictions that would have a material effect on the special purpose financial statements in the event of noncompliance. In connection therewith, we specifically represent that we are responsible for determining that we are not subject to the requirements of the Single Audit Act and OMB Circular No. A-133, because we have not received, expended, or otherwise been the beneficiary of the required amount of federal awards during the periods of these audits.
17. The Collegiate High School's allocation of St. Petersburg College's pooled cash was \$837,087 and \$852,953 at June 30, 2013 and 2012, respectively.
18. The Collegiate High School has no liability for claims or losses under the self-insurance program as of June 30, 2013 and 2012.
19. We have no knowledge of any uncorrected misstatements in the special purpose financial statements.

Information Provided

20. We have provided you with:
 - a) Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - b) Additional information that you have requested from us for the purpose of the audits;
 - c) Unrestricted access to persons within the Collegiate High School from whom you determined it necessary to obtain audit evidence.
 - d) Minutes of the meetings of the governing board and committees, or summaries of actions of recent meetings for which minutes have not yet been prepared.
21. All transactions have been recorded in the accounting records and are reflected in the special purpose financial statements.
22. We have disclosed to you the results of our assessment of risk that the financial statements may be materially misstated as a result of fraud.
23. We have no knowledge of allegations of fraud or suspected fraud, affecting the Collegiate High School's special purpose financial statements involving:
 - a) Management.
 - b) Employees who have significant roles in the internal control.
 - c) Others where the fraud could have a material effect on the special purpose financial statements.
24. We have no knowledge of any allegations of fraud or suspected fraud affecting the Collegiate High School's special purpose financial statements received in communications from employees, former employees, regulators, or others.
25. We have no knowledge of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing the special purpose financial statements.
26. We are not aware of any pending or threatened litigation and claims whose effects were considered when preparing the special purpose financial statements and we have not consulted legal counsel concerning litigation or claims.
27. We have disclosed to you the identity of the Collegiate High School's related parties and all the related-party relationships and transactions of which we are aware.
28. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Collegiate High School's ability to record, process, summarize, and report financial data.
29. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.

Supplementary Information

30. With respect to Management's Discussion and Analysis presented as required by the Government Accounting Standards Board to supplement the special purpose financial statements:
- a. We acknowledge our responsibility for the presentation of such required supplementary information.
 - b. We believe such required supplementary information is measured and presented in accordance with guidelines prescribed by accounting principles generally accepted in the United States of America.
 - c. The methods of measurement or presentation have not changed from those used in the prior period.

Compliance Considerations

In connection with your audits, conducted in accordance with *Government Auditing Standards*, we confirm:

31. We are responsible for:
- a) Compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to the Collegiate High School.
 - b) Establishing and maintaining effective internal control over financial reporting.
32. We have identified and disclosed to you, as applicable:
- a) All laws, regulations, and provisions of contracts and grant agreements that have a direct and material effect on the determinations of financial statement amounts or other financial data significant to audit objectives.
 - b) Violations (and possible violations) of laws, regulations, and provisions of contracts and grant agreements whose effects should be considered for disclosure in the auditor's report on noncompliance.
33. We have a process to track the status of audit findings and recommendations, if applicable.

Cover Sheet for District Distribution Plans for 2013-14 Teacher Salary Allocation for St. Petersburg Collegiate High School

Governor Rick Scott worked hard with the 2013 Legislature to provide an increase of more than \$1 billion in the education budget, which included \$480 million to provide a much deserved teacher pay raise for our public school teachers.

To receive its share of the funding and distribute raises, each district must submit its distribution plan to the department, including the information below. The department will not be approving or providing feedback on distribution plans for this funding.

District Name	Pinellas County Schools
District Contact and Contact Information	Suzanne Mercer
Date Submitted	10/16/2013

Instructions:

1. In the column on the right, please provide for each of the following the location in the district's compensation plan where the information may be found. If the information is provided in a separate document, such as a cover letter or MOU, please provide that information in the column.
2. Please submit your compensation plan with this cover sheet to TeacherSalaryAllocat@fldoe.org
3. Upon receipt of the plan and the documentation below, you will receive notification that we received your plan and that your funds will be distributed through your semi-monthly Florida Education Finance Program (FEFP) payments.
4. To reduce paperwork and submission processes, please indicate (using an X) if this plan is also your district's Race to the Top compensation plan (if not, leave this line blank). If this is your district's RTTT compensation plan, it will be reviewed separately for that purpose; fund disbursement to the district for this appropriation is not related to and will not be delayed for that approval process.
5. Please add columns to the chart below as necessary for any other category of employee participating in the allocation.
