

Statewide Articulation Agreements

You can earn **FREE** college credits at SPC towards certain A.S. degree and certificate programs after completing courses at other state institutions. The Florida Department of Education oversees several Statewide Career and Technical Education Articulation Agreements between Post-Secondary Adult Vocational (PSAV) educational institutions and college in Florida.

These agreements apply to SPC's programs for 2017-18 and are intended to be a minimum guarantee of articulated credit and do not preclude institutions from granting additional credit based on local agreements. You can also check the listing of [local PSAV programs at PTC](#) with articulations, to find additional opportunities.

To apply for free credit for your PSAV program, complete the [Request for Credit](#) form.
