

Computer Systems and Information Technology

Gain **FREE** college credit by completing Computer Systems and Information Technology academy courses offered at certain Pinellas County high schools. To potentially qualify for free credit at SPC, students must earn the specified number of credits in all the courses listed below with academic grades B or higher (each semester).

The free credit earned may be used toward any of the Associate in Science degree programs listed below, or it may be applied to general elective requirements for an Associate in Arts degree at SPC.

Get more details on **FREE** college credit on our website: spcollege.edu/connect.
