Call to order 6:30 PM – Michele Furu unable to attend / Tonner

Welcome & Introductions: Members of Committee, Administration and Faculty

Nomination/Appointment of Chair for Committee 2016-2017- Michele has been nominated and she agreed earlier to continue in her role.

Program Activities:

Enrollment and Program Updates

BASDH Update: Patel – Instructor in Charge as of May 2016

- Enrollment- over 100 students –
 - Chris has reached out to AS DH Program Directors thanking them for their support
- Interprofessional curriculum – has been included into the BASDH curriculum / leadership skills for medical centers and PH centers.
- Course revitalization – very enthusiastically reviewing online courses
- Capstone experiences/employment – largest degree completion nationally.

AS DH Update: Tonner

- Curriculum update – DEH 2802 –Tonner
 - Correction on April 2016 minutes – misspelled DEH 2802 AND it was available for class of 2017 to take in summer of 2016
 - AS DH student Albee spoke about the DEH 2802 curriculum and the relevance to private practice management.
- Freshmen and Sophomores class enrollment – 30/35
- National Board exam -97 %
- Clinical Exam - 83%

Update - Dr. Ludwig

- Communities at SPC – contextualized courses that lead students into areas of interest.
- Advising change college wide- more like case management. The advisor will be dedicated to the discipline.

- New building for HEC in the future.

Community Events- Tonner

Global Community – nine students going to Jamaica this year

October 1-10th to Ochos Rios

Local Community- Nursing Interprofessional in classroom, Great American Teach in November, Lessons in a Lunch Box @ Sky View Elementary through Childrens Oral Health Institute (only community college and only DH program).

Surveys & Questions: Tonner

- AS online surveys – graduate surveys being sent out to Class of 2016
- Ideas how to get graduates to put down employer contact?
 - Suggestion was to send Graduate survey to graduates at 6 months rather than at 4 months in September./ October . Now to send instead in January.
- How to get employer to respond to follow up survey?
 - If a response it was suggested to send copy of employer to Advisory Committee so the people on the Advisory Committee can contact employer to respond .

Program Participation in:

- FDHA Symposium – 52 students attended- Tonner
- Oral Cancer Walk April 2016 and next year- Woods/Tonner
 - SPC hosted Eva Grazel as the key Phi Theta Kappa speaker to HEC on April 11th 2016
 - April 8th 2017 date – hosted by SPC. Looking for sponsors for money donations and also screeners for a booth that will be set up. Last year there were about 100 attendees.

DH Clinic:Equipment wish list: Tonner

Requesting approval and support by the committee to request purchase of:

- | | |
|----------------------------------|---------|
| • Digital Panorex Machine (1997) | 27,500 |
| • Midmark Autoclave | 4500 |
| • Water Cartridge filters | 4-5,000 |
| • Tuttnauer 380 Autoclave | 13, 000 |

Dr. Hanna discussed an analog to digital copy option, Scanex, for \$3,000-5,000

Advisory Committee agreed to approve the equipment requests.

Local Anesthesia update – **281**– total that have been taught after completion of this fall session

A Total of \$5120 in instruments for isolation were donated to HEP, St. Petersburg Free Clinic and MOM

9/21/16

The State Curriculum Frameworks Committee proposed a draft of Dental Hygiene Students #1-23 outcomes. This was submitted to the Department of Education. Decision pending for 2017.

Announcements:

- Todd Britten requested a connection for Soldiers to get them Oral health care supplies
 - Jeff Cavanaugh at SPC was later given to Dr. Britten as the contact person Cavanaugh.Jeff@spcollege.edu
 - SPC DH program will actively participate if an event is established

Scholarships

- Three of the four \$700 scholarships given out by the Florida Dental Hygiene Foundation were awarded to our AS DH students
