Agenda Item	Discussion	Action
1) State Exam Computer Based Testing	The computer based testing contract is in process for St. Petersburg College. The test will be a 200 question test starting immediately if we are approved. We will administer the test every Tuesday following graduation. SPC will not charge a fee for the state exam	None taken.
2) State of Academies	Pinellas County Sheriff's Office will be sponsoring students for both Correctional and Law Enforcement Academies.	None Taken
3) Critical Thinking Project	The Capstone Project will now be referred to as the Critical Thinking Project.	None taken.
4) Physical Fitness	New lesson plans are being developed for physical fitness standards for entry into the academy. We need to know what minimum level of fitness the agencies require their employees to have. A motion has been passed to recommend to the Chief's a physical fitness standard for entry into the academy. A committee will be gathered to discuss what type of physical standard will be required.	In process
5) Academy Uniforms	Still in discussion.	None taken
