

It's midnight – who's managing your network security?

Attacks on information systems are increasing! Electronic data and network security have never been more important, and never more demanding!

The demand for Information Technology Security administrators, experts, managers, engineers and consultants is increasing. Even individuals skilled in networks and computer systems will be required to upgrade their skills to be prepared for the challenges facing IT organizations.

St. Petersburg College is dedicated to the concept of equal opportunity. The college will not discriminate on the basis of race, color, religion, sex, age, national origin, or marital status, or against any qualified individual with disabilities, in its employment practices or in the admission and treatment of students. Recognizing that sexual harassment constitutes discrimination on the basis of sex and violates this rule, the college will not tolerate such conduct. Should you experience such behavior, please contact the director of EA/EO at (727) 341-3261; by mail at P.O. Box 13489, St. Petersburg, FL 33733-3489; or by e-mail at eaao_director@spcollege.edu.
