[Look Up Your User ID/Student Number](#)

- **User ID is your student number.**
- You create a **password** that only you know.
- Use your user ID and password to login to MySPC. User ID and password also are used to login to your classes in ANGEL.

Tips:

- To **create a password** using the link shown above, you will need your student number.
- Don't know your student number?
 - The link shown above allows you to enter Social Security Number and date of birth to look up your Student Number.
 - Or you can show proof of identification at your campus Business Office or MAP Center to obtain your Student Number.
- Forgot your password?
 - Enter your student number and date of birth using the **Forgot your password** link to have your password automatically reset and sent to the email address you have on file with us.
 - Or produce proof of identification to request a password reset at your campus Business Office or MAP Center.
- You can change your password at any time. Changing your password is recommended any time you suspect that someone other than you knows your password. Your password is the key to your educational records at SPC and should be kept secure.
