

# FIRE TRAINING CENTER

## BIG FIRE...BIG WATER

RN 5181  
**2 CEU's for Instructor**

This 4 hour class (2 CEUs for Instructor Recertification) is designed with the first half in the classroom and the second half hands-on practicing techniques previously learned in the classroom. The class is designed for firefighters, pumping apparatus operators, fire officers, fire instructors, and fire inspectors. Objectives include: Review the basics of LDH and Master Streams; Safely and properly applying large volumes of water beyond the use of hand lines; Maximizing available flow from hydrants and; Discuss basic strategy and management of large warehouse fires. The class will be taught by Lou Sclafani, District Chief with Pinellas Park F.D.

**April 9, 2012**
