

## FIRE TRAINING CENTER

# Emergency Vehicle Driver Training

Formally known as "EVOC"

Participants in this course will have the opportunity to gain and/or verify a broad range of competencies associated with driving emergency vehicles. These competencies include basic understanding of emergency vehicle operations as well as the skills necessary for practical application. The course is designed to present the necessary classroom experiences and competency course training, and will include testing in written form for both new and experienced emergency vehicle drivers.---VFIS 2008 This class will utilize a fire engine and ambulance for the driving portion. The instructor will be Phillip Bailey, Program Coordinator for Fire In-service, SPC.
