

St. Petersburg College
Bachelor of Science in Secondary Education Biology (6-12)
Admissions Checklist

Students will be eligible for admission to the Bachelor of Science in Secondary Education Biology (6-12) at St. Petersburg College by submitting the following:

- SPC Application
 - New SPC students should
 - Go to [MySPC](#), click on the “Apply for Admission” link on the left side of the page, complete the online application, and pay the \$40 application fee.
 - Returning SPC students should
 - Logon to [MySPC](#) and complete the Baccalaureate Application by clicking on the “Apply-BS/BAS/ Upper Div Cert” link found in the middle of the page. In addition, students who were last enrolled at SPC more than 12 months ago, are required to verify their residency status by resubmitting the [hard-copy of the general SPC application](#) (the \$40 application fee is waived).
- Official transcripts from high school(s) (or GED). Students who have submitted transcripts that document a fully accredited associate’s, bachelor’s or higher degree are not required to submit a high school transcript, unless it documents completion of 2 consecutive years of one foreign language.
- Official transcripts from college(s) currently or previously attended.
- Completion of all college preparatory coursework.
- Cumulative grade point average of 2.5 on a 4.00 scale in all postsecondary coursework.
- Completion of the following state mandated prerequisites¹ with a grade of “C” or better:
 - EDF 1005 Introduction to Education
 - EDF 2085 Teaching Diverse Populations
 - EME 2040 Introduction to Educational Technology
 - MAC 2311 Calculus & Analytic Geometry I
 - Note: This is a newly added state prerequisite and is required of all students entering the program beginning in the Fall of 2011.
 - 8 credits of Biology with Lab
 - Biology with Lab I & II—BSC 2010 & BSC 2010L, BSC 2011 & BSC 2011L
 - 8 credits of Chemistry or Physics with Lab
 - General Chemistry & Qualitative Analysis with Lab I & II—CHM 1045 & CHM 1045L, CHM 1046 & CHM 1046L
 - Note: This is preferred option because it also satisfies the prerequisites for BCH 3023, which is part of the major. If the chemistry prerequisites are not taken prior to admission to the College of Education, they must be completed during the two semesters.
 - Physics with Lab I & II—PHY 2048 & PHY 1048L, PHY 2049 & PHY 1049L
- Official transcripts showing completion of an A.A. degree or 60 credits from a regionally accredited institution.
- Passing test scores from all sections of the General Knowledge (GK) Test (see the following site for more information www.fl.nesinc.com). If the College-Level Academic Skills Test (CLAST) was taken prior to 7/1/ 2002, passing scores can also be used to meet this requirement (CLAST exemptions are not accepted).

¹ The following requirements have been removed as of the 09-10 Common Prerequisite Manual and are no longer required for entering students: 6 credits of additional science electives.
