# “How to” purchase Textbooks

SPC makes it easy to **buy or rent** (or **go digital** with e-books) textbooks online or at a Follett campus bookstores [Bookstore hours and phone numbers](#) are posted online.

## **Buy Online**

[Login to MySPC](#) and choose *Register for Classes*, then *My Class Schedule*. Select the term, then *BUY* to purchase books through eFollett.com. You can pick up the books you order at a campus bookstore or have them sent to your home.

## **Buy used textbooks**

Purchasing used textbooks can usually save you 25 percent off the price of a new book. SPC faculty continue to work with Follett bookstores to increase the number of used books available online and on campus. Sell your books at the end of the term for some much needed cash.

## **Rent your textbooks**

[Follett's new Rent-a-text program](#) gives you the option of renting a new or used textbook for an academic term rather than purchasing it. Renting a textbook can save you more than 50 percent on average, compared to the purchase price of a new textbook. If you don't want to keep the book, renting may be your least expensive option. Rented texts are simply returned to the bookstore at the end of the term.

## **Go Digital**

A growing number of classes now have digital or e-books available. Digital books can save you cash while saving natural resources. Ask your bookseller for more information.
