Scholarship for which you are requesting the evaluation:

- Florida Bright Futures Academic Scholarship (3.0 min GPA, 6 credit hours earned for each term paid).
- Florida Bright Futures Medallion Scholarship (2.75 min GPA, 6 credit hours earned for each term paid).
- Florida Bright Futures Gold Seal Scholarship (2.75 min GPA, 6 credit hours earned for each term paid).

The State of Florida's Office of Student Financial Assistance (OSFA) requires SPC to report a renewal applicant's earned credit hours as reflected on your permanent record after completion of the spring term each year.

If there has been a change in your earned credit hours or cumulative GPA after that point that now places you above the minimum requirements for the Bright Futures Scholarship, please indicate the reason below for re-evaluation:

- GPA/Credit hours not reported due to alternative student (study abroad, transient study, etc).
- Grade changed by professor and now recorded by the SPC Registrar's Office.
- Recalculated GPA – transfer credit(s) not originally included on your SPC permanent record.
- Summer 2009 course work completed.
- Other – please specify reason: _____

NOTE: All changes, including alternative student, transfer credit, corrections of grades, or summer enrollment must be reflected on your SPC official transcript before a Grade & Hour Evaluation is submitted. Failure to do so will result in the evaluation being denied.
