*Includes students enrolled in classes at the end of the first week and audit students in credit courses.

**AA students include AA degree, dual credit and pre-limited enrollment programs until 1997 when pre-limited counted as AS degree students. Beginning Fall 2002 SPC offered four year programs; however, since some upper division students carry lower division AA program codes, it is not possible to distinguish between lower and upper division AA degree students.

***AS students include AS degree, vocational certificates and pre-limited program students.
