## Federal Direct Parent PLUS Loan Announcement

Starting fall 2009, St. Petersburg College will be participating in the William D. Ford Federal Direct Loan Program (Direct Loan) for all Federal Parent PLUS Loans.

By participating in the Direct Loans, St. Petersburg College ensures you are guaranteed access to parent loan funding because parent loan dollars are received directly from the federal government. The Direct Loan Program also provides the best borrower benefits available at this time. We think the Direct Loan model is **easy for parents to understand**. Having **ONE source for parent loan funds** reduces the confusion and complications for parents, provides “one stop shopping,” more timely parent loan disbursements, and better customer service.

**You will need to complete a Federal Direct Parent PLUS Loan Master Promissory Note if you plan to borrow money for the 2009-2010 Award Year (Aug. 24, 2009 – May 6, 2010), even if you have borrowed Federal PLUS Loans in the past.** Please go to our Financial Assistance Services Web site at [www.spcollege.edu](http://www.spcollege.edu) and select the following: **Financial Assistance Services, Loans, and PLUS Master Promissory Note**. This will only need to be completed ONCE while you attend St. Petersburg College. You will need your Federal PIN number to complete your Master Promissory Note.

If you need help completing your PLUS Direct Loan Master Promissory Note, you may call 727-791-2485, e-mail us at [askfas@spcollege.edu](mailto:askfas@spcollege.edu), or visit one of our main campuses for assistance.

Sincerely,

Financial Assistance Services
