

## Commercial Art/Graphic Design Articulation

Schools offering program  
 Pinellas County Technical Education Center

In accordance with the Interinstitutional Articulation Agreement between the Pinellas County Schools Board of Education and the St. Petersburg College Board of Trustees, this program-to-program agreement provides opportunities for students to receive college credit for appropriate work completed at the technical education center. St. Petersburg College agrees to award college credit to Pinellas County Commercial Art Technology graduates as specifically defined above.

**Students must present a portfolio of work demonstrating mastery at an acceptable level.** Students will not be charged any fees for the awarding of hours covered by this agreement. A grade of "P" will be given for the college credit. A minimum grade point average of 3.0 in the program area will be required before credit is issued. Students must enroll at SPC **as a degree seeking student within two (2) years** after graduation to be eligible to receive the articulated credit. This Career Pathways/Tech Prep Articulation Agreement replaces any previously existing agreements relating to the aforementioned program

This agreement will be reviewed every two years.
