Schools offering program

East Lake High School

In accordance with the Interinstitutional Articulation Agreement between the Pinellas County Schools' Board of Education and the St. Petersburg College Board of Trustees, this program-to-program agreement provides opportunities for students to receive college credit for appropriate work completed at East Lake High School's Academy of Engineering. St. Petersburg College agrees to award college credit to students as specifically defined above.

Students will not be charged any fees for the awarding of hours covered by this agreement. A grade of "P" will be given for the college credit. Students must have a minimum grade point average of 3.0 in the subject area and a 2.5 overall grade point average for credit to be issued. Students must enroll at SPC as a degree seeking student within 3 years after graduation to be eligible to receive the articulated credit. This Career Pathways Articulation Agreement replaces any previously existing agreements relating to the aforementioned program

This agreement will be reviewed every three years.
