Schools offering program

Gibbs, Largo, St. Petersburg, Tarpon Springs

In accordance with the Interinstitutional Articulation Agreement between the Pinellas County Schools' Board of Education and the St. Petersburg College Board of Trustees, this program-to-program agreement provides opportunities for students to receive college credit for appropriate work completed at the high school. St. Petersburg College agrees to award college credit to students as specifically defined above.

Students will not be charged any fees for the awarding of hours covered by this agreement. A grade of "P" will be given for the college credit. A minimum grade point average of 3.0 in the subject area and an official A+ certification or signed documentation that the student took and passed the eligibility test for A+ certification will be required in the program before credit is issued. Students must enroll at SPC as a **degree seeking student** within 3 years after graduation to be eligible to receive the articulated credit. This Career Pathway Articulation Agreement replaces any previously existing agreements relating to the aforementioned program.

This agreement will be reviewed every three years.
