

Do you have questions about a career, but no one to ask?

Try using...

at www.Virtual-Mentor.net
Virtual Mentor

- Provides information to middle and high school students about career choices.
- Connects students with volunteer mentors from the local community who share their experience with students through the Virtual Mentor Forum.

Security and Safety Features

- There is never a direct contact with a mentor.
- Mentor's replies are screened by Virtual Mentor administrators before being posted.
