Schools offering program

Northeast High School (Academy of Information Technology)

In accordance with the Interinstitutional Articulation Agreement between the Pinellas County Schools' Board of Education and the St. Petersburg College Board of Trustees, this program to program agreement provides opportunities for students to receive college credit for appropriate work completed at Northeast High School. St. Petersburg College agrees to award college credit to Northeast High School Academy of Information Technology graduates as specifically defined above:

Students will not be charged any fees for the awarding of hours covered by this agreement. A grade of "P" will be given for the college credit. A minimum grade point average of 3.0 in the subject area and passage of the Internet and Computing cor (IC3) certification test. Students must enroll at SPC as a **degree seeking student** within 3 years after graduation to be eligible to receive the articulated credit.

This agreement will be reviewed every two years.
