

# eCampus

## Is St. Petersburg College's eCampus right for you?

- I prefer individualized learning rather than face-to-face lectures or group interaction.
- My personal schedule conflicts with the SPC on-campus class meeting times.
- I don't have child care to allow me to attend on-campus classes.
- I don't live in Pinellas County but would like to attend SPC.
- I am homebound and can't commute to an SPC campus.
- Getting transportation to an SPC campus is a challenge for me.

## Are you right for eCampus?

Online students need to be self-motivated and directed. To learn more about whether you are a candidate to be a successful online student, check [www.spcollege.edu/ecampus/cyberadvisor/quiz.htm](http://www.spcollege.edu/ecampus/cyberadvisor/quiz.htm).

## St. Petersburg College

St. Petersburg College is dedicated to the concept of equal opportunity. The college will not discriminate on the basis of race, color, religion, sex, age, national origin, or marital status, or against any qualified individual with disabilities, in its employment practices or in the admission and treatment of students. Recognizing that sexual harassment constitutes discrimination on the basis of sex and violates this rule, the college will not tolerate such conduct. Should you experience such behavior, please contact the director of EA/EO at 727-341-3261; by mail at P.O. Box 13489, St. Petersburg, FL 33733-3489; or by e-mail at [ea\\_eo\\_director@spcollege.edu](mailto:ea_eo_director@spcollege.edu).

*Your Time. Your Place. Your Future.*

Now is the time to become part of Florida's largest online campus! Of the 30,000 students enrolled at SPC this spring, half are taking at least one course online, and half of those (7,500 students!) take all their classes online. We know how to do it right – with quality faculty, structured interaction between students and their professors, and leading-edge technology and media tools.

## Benefits of eCampus enrollment

- No waiting in lines
- Works on your schedule (virtually!)
- Cyber advisors for online students
- Student Services available
- Low tuition cost and online fees
- Test proctoring for distance students
- Online tutoring, bookstore, and library services

eCampus courses combine the convenience and power of innovative technology with advanced educational software and personal interaction between faculty and students. eCampus faculty and staff focus on assisting students in achieving their unique educational goals while accommodating the individual schedules of the students.

ANGEL (A New Global Environment for Online Learning) is an innovative learning management system that delivers SPC courses. Potential students can explore a sample online course at: [www.spcollege.edu/ecampus/](http://www.spcollege.edu/ecampus/)

## Quality Education at an Affordable Cost

The per-credit-hour tuition for eCampus classes is the same as for all other SPC classes, with an additional \$12.50 per credit hour fee in lower division courses and an additional \$15 per credit hour fee in upper division courses. The cost of online courses at SPC is extremely competitive when compared with other online learning institutions.

St. Petersburg College offers a complete Associate of Arts Degree (A.A.) online, which transfers to bachelor's programs at SPC and other colleges and universities. In addition, other complete degrees are offered online, including:
