

St. Petersburg College Emergency Medical Services Program Minimum Requirements Checklist

Curriculum

Please complete the following items as soon as possible and refer to the [Emergency Medical Services](#) website for program information.

Program begins in August and January.

- Completion of [St. Petersburg College Admission Application](#) and the non-refundable fee.
- Completion of the EMT and Paramedic ATD/certificate from a CoAEMSP-accredited and regionally accredited school.
- Submission of all official, unopened (sealed) high school/GED and college transcripts from previously or currently enrolled colleges. Unofficial copies or official copies that have been opened are not acceptable.
- Completion of [placement testing](#) and all college preparatory work. Applicants who have credits earned in mathematics, composition and/or reading may be waived from the placement test.
- If previously or currently enrolled at SPC, academically in good standing and have a cumulative 2.0 GPA.
- Submission of the [Health Programs Application](#).
- Make appointment with EMS Program Director no later than 30-60 days before first class to develop graduation plan.

Within 90 days of the start of the first specialty course:

- Successful passing of a background check and drug screening.
- Completion of the Health Education Examination Form and any required immunizations.
- Attendance at the [Student Services Orientation](#) and the Emergency Medical Services Orientation.
