## Catch the Midtown Express

With St. Petersburg College's Fall semester underway, SPC Midtown is buzzing with excitement having to do with our first full semester of express classes beginning on **September 22, 2008**.

We are dusting, scrubbing, polishing, and rolling out the welcome mat in anticipation of having all of you here. The welcome mat is in place, and we are filled with enthusiasm as we plan our calendar of events with all of you in mind. MT 103 is our office. The door is always open, so stop by and say "hello."

Our events calendar will be posted on the web at [www.spcollege.edu/midtown](http://www.spcollege.edu/midtown). The

events that are being planned are ones with all of you in mind. We do hope that you will check out the calendar often to know what the "buzz" is all about, and to know what scheduled events are planned.

Borrow one of the inspirational quotes highlighted on page 2 of this newsletter and let it become your guiding star as you navigate your way through this new semester.
