## Women on the Way

It can be intimidating to go to college after spending a long period of time away from the education scene — especially when balancing parental duties and an outside job. That's why the Women on the Way Challenge Center (WOW) is on hand to help women — and men — put anxieties to rest.

WOW provides an assortment of support services to help you reach your goals. These include:

- Scholarships
- Orientation
- Mentors
- Counseling

WOW offers new student orientations each month.  
Call WOW at (727) 791-2634.

## Has your address changed?

If you've moved and haven't informed your home campus Admissions Office in writing, you could be risking lost correspondence. So please inform the Admissions Office on your home campus immediately, in *writing*, or online at [www.spcollege.edu](http://www.spcollege.edu) under **MySPC**. Log in and go to your personal profile to make changes.

If you choose to make the change in writing, either mail the Admissions Office a letter with your signature, or stop by the office and complete a Change Form (which is for any kind of change in your student record).

## SPC holds 100th commencement

The college is 79 years old this year, but it held its 100th graduation ceremony in May. Highlights included Gov. Jeb Bush as keynote speaker and recipient of an honorary degree; the first dual graduates from St. Petersburg Collegiate High School; the most SPC graduates (642) to march at graduation; and the honoring of our first Professor Emeritus, William Keller.

## Cosmonaut pays a call

The college was honored in June with a visit from former Soviet Cosmonaut Boris Volynov and his wife, Tamara. Volynov trained with fellow Russian Yuri Gagarin, the first human in space, and later made flights on two Soyuz spacecraft missions. Volynov was invited to SPC by President Carl M. Kuttler Jr. when the two men met during one of Kuttler's recent trips to Russia.

SPC recently became one of a select group of colleges and universities in the nation chosen as an iTunes U by Apple Computer, Inc. The college is creating a customized Website on iTunes that will enable students with iPods or other mp3 players to access information from speeches and lectures to use at their leisure.

## Women's tennis to debut in spring

SPC has added a sixth varsity sport – women's tennis – to its lineup. Play will begin in the spring. The other five sports are women's volleyball, men's and women's basketball, men's baseball and women's softball.

## SPC still ranks near top in U.S.

In this year's latest national rankings based on U.S. Department of Education data, SPC came out this way: for degrees awarded in Liberal Arts & Sciences/General Studies/ Humanities, No. 6 nationally (3rd year straight); for degrees awarded in All Disciplines, 10th (3rd year running); for A.S. degrees in Nursing, 10th; and for degrees in Health Professions and Related Clinical Sciences, 11th.
