The Common Prerequisites Manual is a centralized compilation of program prerequisites providing students, especially those who plan to transfer, with information regarding the courses that they will need to take to be admitted to upper division programs.

Degrees listed in the Common Prerequisite Manual provides information regarding to the State University System common prerequisites for that program. Some programs do not require common prerequisite courses. Students should consult the counseling office.

You can access the Common Prerequisite Manual online at "www.facts.org" - Advising Manual - Common Prerequisite Manual or see the counseling office to review the appropriate prerequisites related to your catalog year.
