Dear Dr. Furlong:

Thank you for your letter of October 6, 2006, and the revised faculty roster for the proposed **Bachelor of Applied Science in Banking** degree program, which began Fall 2006, at the Epicenter Annex, Large, Florida. The information submitted satisfactorily addressed our concerns regarding faculty member qualifications.

We approve the proposal, shall include it within the scope of accreditation previously granted, and wish you and your colleagues much success in this new degree program. I hope to see you in Orlando for our annual meeting next month!

Best regards,

Belle S. Wheelan, Ph.D.
