

DIGITAL ARTS, MEDIA AND INTERACTIVE WEB DESIGN

Associate in Science Degree or Certificate Program

Start a career in growing digital media industry:

Digital Media Production
Digital Video Production
Video Game Foundations
Digital Graphics
Interactive Web

Interactive games, 3-D animation, CD-ROMS, DVD's, digital video, and dynamic web sites are changing the way we learn and entertain ourselves. The **Digital Arts, Media and Interactive Web Design** Program at St. Petersburg College meets the needs of one of the fastest growing sectors in the computer industry with an A.S. Degree or Certificate in one of the four concentrations:

- Digital Media Production
- Digital Graphics
- Digital Videography
- Video Game Foundations

Students enrolled in the program not only receive a well-rounded general education with an emphasis on originality and creativity, but also acquire the specific skills essential to working in today's digital media industry and the future.

Each graduate will be required to create an industry-standard digital portfolio that meets the approval of staff and advisory committee members(s).

For more information about SPC's Digital Arts, Media and Interactive Web Design program, contact the Seminole Campus at 727-394-6127, check out the web site at www.spcollege.edu/se/academics/Digital_Arts.htm or email at keefe.delynda@spcollege.edu
