

St. Petersburg College

Fall Term 2009

Aug. 24 to Dec. 18

Registration is online. Students should go to MySPC at www.spcollege.edu and follow the step-by-step registration directions.

Computer labs and personal assistance are available on campuses.

MySPC log-in page.

How to use this book

This book is a reference document to help you plan your schedule. It contains the title, catalog number, subject code and credit hours of each course offered on campuses and online during the fall term. Course specifics, such as dates, times, instructors and more, are available as you register at MySPC at www.spcollege.edu.

Note: Courses may be added or deleted based on demand.
