

Bookstores/Libraries

Bookstores are convenient

SPC makes it easy for you to get the books you need when you need them. We have five bookstores open at hours suited to your schedule. Other locations are open during the first week of classes for student convenience. SPC's bookstore Web site offers even more convenience. Order your books online and get a first crack at money-saving used books. If you order online — using a major credit card — you can have your books shipped directly to you or you can stop by and pick them up. At the end of each term, SPC bookstores will buy back most texts, though it will be for less than the original purchase price.
