For the latest in course listings:

- Check computers and printed materials in Registration.
- Look online at www.spcollege.edu (see page 13 for details).

This course schedule booklet went to press in mid-Oct. Since that time, some classes may have been filled while others have been added to or dropped from the schedule. The daily printouts and computers will tell you which ones remain available at every site.

Some of the classes originally scheduled to be taught by "TBA" (To Be Announced) may now have an assigned instructor. If so, his or her name will appear in the daily printouts.

J.C. Brock named to state law enforcement board

J. C. Brock, Campus Executive Officer at SPC's Allstate Center, has been named to the state Criminal Justice Standards and Training Commission by Gov. Charlie Crist. The Criminal Justice Standards and Training Commission oversees and regulates all training, education and certification of law enforcement and corrections officers throughout Florida.

Male Outreach Initiative

Male Outreach Initiative, a program designed to boost college enrollment among this group, hopes to reverse a trend of declining enrollment among males. It is loosely based on a similar SPC program, Women on the Way, which was designed a number of years ago to help women return to college successfully.

Rod Davis, who directs the program, attempts to build on existing successful programs, and "create something outside the box."

Female enrollment has been edging up for years at colleges across the country, but enrollment among males has been steadily dropping. For more information about the program, call 727-791-2673.
