

# Corporate Training at St. Petersburg College

## Top quality, fast-track workforce development

Serving Pinellas County since 1985, **SPC's Corporate Training** offers a wide variety of individual and business-related courses. Positioned as a strategic partner for both large and small corporations, this versatile department has four main areas of focus, Technology, Professional Development, Licensed Professions and Business Solutions.

An important feature of Corporate Training is its flexibility. Classes and workshops range from a few hours to several days. Corporate Training brings a wealth of business training experience and is located at the EpiCenter, one block north of Ulmerton Road in Largo. Corporate Training has classes open to the public or customized programs for organizations. The method of delivery can be online, classroom or blended. Custom classes can be scheduled when and where requested or at any of our convenient campus locations. Corporate Training is dedicated to helping you or your company stay productive and competitive in today's changing workplace.
