WARNING!

This booklet may contain dated information

For the latest in course listings:

- Check computers and printed materials in Registration.
- Look online at www.spcollege.edu (see page 13 for details).

This course schedule booklet went to press in mid-Oct. Since that time, some classes may have been filled while others have been added to or dropped from the schedule. The daily printouts and computers will tell you which ones remain available at every site.
Some of the classes originally scheduled to be taught by "TBA" (To Be Announced) may now have an assigned instructor. If so, his or her name will appear in the daily printouts.

College takes over Palladium

The Palladium Theater in downtown St. Petersburg now is owned by St. Petersburg College, and its name has been changed to The Palladium at St. Petersburg College. It re-opened after several weeks of updates and renovations that include new heating and air conditioning systems, updated electrical service and handicapped accessibility. This year is The Palladium's 10th anniversary, and it is celebrating with a number of special programs and concerts. Visit www.mypalladium.org for more information.
