Some of the classes originally scheduled to be taught by "TBA" (To Be Announced) may now have an assigned instructor. If so, his or her name will appear in the daily printouts.

New O&P building dedicated

The college has dedicated its new Bankers Insurance Group Building, home of the J.E. Hanger College of Orthotics and Prosthetics. The building is a 26,000-square-foot structure at 7200 66th St. N, Pinellas Park. It cost \$10 million to build and was financed in part by a \$250,000 donation from the Hanger Orthopedic Group of Bethesda, Md.; a \$500,000 donation from Bankers Insurance Group; and a \$2-million federal grant. Both the college and the company are named after James Edward Hanger, the Civil War's first amputee, who founded the Hanger Company in 1861.
