WARNING!

This booklet may contain dated information

For the latest in course listings:

- Check computers and printed materials in Registration.
- Look online at www.spcollege.edu (see page 13 for details).

This course schedule booklet went to press in mid-Oct. Since that time, some classes may have been filled while others have been added to or dropped from the schedule. The daily printouts and computers will tell you which ones remain available at every site.
Some of the classes originally scheduled to be taught by "TBA" (To Be Announced) may now have an assigned instructor. If so, his or her name will appear in the daily printouts.

College takes over Palladium

The Palladium Theater in downtown St. Petersburg now is owned by St. Petersburg College, and its name has been changed to The Palladium at St. Petersburg College. It re-opened after several weeks of updates and renovations that include new heating and air conditioning systems, updated electrical service and handicapped accessibility. This year is The Palladium's 10th anniversary, and it is celebrating with a number of special programs and concerts. Visit www.mypalladium.org for more information.

Accreditation is reaffirmed

The Southern Association of Colleges and Schools (SACS) has reaffirmed SPC's accreditation, and says no additional report from the college will be required. The good news was contained in a letter dated July 10 to President Carl M. Kuttler Jr. from Belle S. Wheelan, SACS President. It means the preliminary findings of the SACS academic review of SPC, released in December, will stand, and no further action on the part of the college is necessary.

Male Outreach Initiative

Male Outreach Initiative, a program designed to boost college enrollment among this group, hopes to reverse a trend of declining enrollment among males. It is loosely based on a similar SPC program, Women on the Way, which was designed a number of years ago to help women return to college successfully.

Rod Davis, who directs the program, attempts to build on existing successful programs, and "create something outside the box."

Female enrollment has been edging up for years at colleges across the country, but enrollment among males has been steadily dropping. For more information about the program, call 727-791-2673.

Women on the Way

It can be intimidating to go to college after spending a long period of time away from the education scene — especially when balancing parental duties and an outside job. That's why Women on the Way (WOW) is on hand to help women put anxieties to rest.

WOW provides an assortment of support services to help you reach your goals. These include:

- Scholarships
- Orientation
- Mentors
- Advising

**WOW offers new student orientations as requested by phone.
Call WOW at 727-791-2634.**

Driving classes offered

On-campus and online driver improvement classes are offered. For a schedule of classes, visit www.spcollege.edu/ac/driver. The Web site also provides a link to pay a Pinellas County traffic ticket, study the Florida Driver's Handbook, or connect to online classes.

Banking credit approved

The College of Technology & Management and the Florida Banker's Association have agreed that Florida School of Banking graduates may receive credit toward SPC's accredited baccalaureate degree in banking. The arrangement marks another step in the collaboration between the college and the association, which is aimed at improving the commitment to the education of Florida's bankers. Under the arrangement, a Florida School of Banking graduate enrolling in the St. Petersburg College degree program will receive six credits toward the degree. The credits will be awarded only upon successful completion and graduation from the FSB.
