Ensuring Course Requirements are Satisfied

*It is the student's responsibility to make sure transfer coursework meets the course requirements for SPC.

Courses that transfer in as "Elective" 1999, 2999, 3999 or 4999 prefix do not satisfy requirements. The student may request Alternate Satisfaction for the specific course to see if the course will meet the specific requirements.

Ex: If speech transfers in as: SPC 1999 it does not meet the requirement for speech. If an alternate satisfaction is requested and approved the speech requirement would be met.

To initiate the alternate satisfaction request/review process:

Alternative Satisfaction Survey

Before you begin filling out this form, be sure to have the following available to upload:

- 1 - The syllabus of the course you wish to use to satisfy an SPC course (PDF or Word formats only).
- 2 - If the course was completed at another institution, an unofficial or official transcript (PDF or Word formats only).

Complete the Alternative Satisfaction Survey, which is now active at: <https://web.spcollege.edu/survey/21215>
