\*Tuition is estimated using the Florida resident rates. Out-of-state residents will have higher tuition fees.

<sup>1</sup>Tuition is for core coursework only. General Education and Support courses are not included.

\*\* These are high estimates; actual costs will vary depending on health insurance coverage

## Transfer Coursework

Transfer courses for which there is no direct SPC equivalent will be posted as elective credit and designate with a '999' course number. If you believe a course posted as an elective should satisfy a degree requirement, you may submit a request for an Alternate Satisfaction. To initiate the alternate satisfaction request/review process: Complete the Alternative Satisfaction Survey, <https://web.spcollege.edu/survey/21215>.

## Experiential Learning Program (ELP)

Learners are able to use the [Experiential Learning Program](#) (ELP) to waive credits or to test out of classes in which they have experience. The ELP program does incur a small fee for each credit hour awarded and credit is awarded based on the evaluation of the assigned assessor.

Here are the instructions to initiate this process:

- Identify specific courses you would like to earn credit for. (NOTE: Some HEC courses are not eligible for ELP credit.) Review your degree progress report in MySPC and/or contact an academic advisor to clarify your program requirements.
- Complete the ELP application at <https://web.spcollege.edu/survey/3077>
- A designated SPC instructor will interview you to determine if an assessment will be performed.
- Submit any required documentation for the assessment and pay the ELP fee of \$25 per credit hour.
- The instructor evaluates the materials and determines if credit will be awarded.
- A notification is sent to you of the assessment outcome.

## Accessibility Services

St. Petersburg College is committed to providing quality education and services to all students by ensuring that admission, academic programs, support services, student activities, and campus facilities are accessible to and usable by qualified students with disabilities. Each specific health program has its own technical standards which all students must meet with or without accommodation(s). To help students achieve success, Accessibility Services works with students, faculty, and staff to coordinate the provision of reasonable accommodations. To put your accommodations in place, please contact the Health Education Center Accessibility Services at (727) 341-4141 or visit <http://www.spcollege.edu/accessibility>
