

**Radiography Associate in Science Program  
Admission Requirements Checklist  
(Meeting minimum requirements does not guarantee admission)**

Term	**Applications Accepted	Application Review	Student Notified By MySPC E-mail
Spring: January	July 1 - Sept 15	Sept 16 - Nov 1	Nov 1

**HEC Requirements**

- Complete the [St. Petersburg College Admission Application](#) and pay the non-refundable fee.  
**\*Note to Returning Students:** If you have not enrolled in courses in the six previous semesters, you will need to complete the online [Readmission Application in MySPC](#). You will be asked if you want to complete the readmission process when you log in to MySPC. Failure to do so will prohibit or delay your course enrollment.
- Submit official, unopened (sealed) high school transcript(s) or GED transcripts. We do not accept unofficial copies or official copies that have been opened. Applicants who have earned an Associate in Arts, Associate in Science, Associate in Applied Science, Baccalaureate, or higher degree from a regionally accredited institution are waived from this requirement.
- Submit official, unopened (sealed) transcripts from all regionally accredited colleges and/or universities. We do not accept unofficial copies or official copies that have been opened.
- Students must demonstrate they are at college level in Writing, Reading, and Math either through appropriate test scores, or through appropriate course completion.
- Students must have a cumulative 2.0 GPA.

**Program Requirements**

- Complete with grades of "C" or better:
  - BSC 2085 and BSC 2085L- Human Anatomy and Physiology 1 and Lab
  - MAC 1105, College Algebra or higher level math with a MAC prefix.
- Maintain a minimum 2.75 GPA on a 4.00 scale in all courses completed that are included in the general education and support courses of the Radiography curriculum.
- Be at least 18 years of age.
- Submit the Health Programs Application by going to <https://web.spcollege.edu/hec/application/apply>

*\*\*All transcripts must be received and evaluated by St. Petersburg College at least 30 days prior to the application deadline to ensure consideration.*

**Selection Criteria**

Due to enrollment limitations, meeting minimum requirements does not guarantee admission. When the number of eligible applications exceeds program availability, selective criteria is used to determine which applicants are offered admission. This criterion is based on a point system using health program GPA, and completion of pre-entry, general education and support coursework, according to the following:

- **31 points** may be awarded based on the number of health program pre-entry, general education and support courses completed.
- **40 points** may be awarded based on the health program GPA (grades earned from pre-entry, general education and support courses. A grade of P will be assigned the value of a student’s cumulative GPA for selective admission GPA calculation purposes for this program, excluding the computer competency)
- ***Pinellas county residents will be given first priority for admission. Should there be positions available after exhausting eligible Pinellas county resident applicants, the remaining applications will be considered based on the point system.***
- **All application requirements must be satisfied by the close of the application window.**

If you are not offered admission, you will need to reapply during the next appropriate application acceptance period.

If you are offered admission you will need to complete the following pre-enrollment requirements by a specific due date to maintain eligible status:

- Complete the Letter of Intent survey (Provided in admission E-Mail)
- Successfully pass a background check and drug screening. (Information and due date provided in Admission E-Mail)
- Complete the Health Examination Form and any required immunizations. (Form and due date provided at orientation)
- Complete the Health Education Program orientation. (Date provided in Admission E-Mail)

**Program Admission Statistics**

On average, approximately 100 students apply for admissions each application period. Of these, typically 24 are accepted. The average GPA for acceptance varies based on the pool of applicants, but typically falls between 3.7 and 3.8.

\*\* These are high estimates; actual costs will vary depending on health insurance coverage.

## Ensuring Course Requirements are Satisfied

\*It is the student's responsibility to make sure transfer coursework meets the course requirements for SPC.

Courses that transfer in as "Elective" 1999, 2999, 3999 or 4999 prefix do not satisfy requirements. The student may request Alternate Satisfaction for the specific course to see if the course will meet the specific requirements.

Ex: If speech transfers in as: SPC 1999 it does not meet the requirement for speech. If an alternate satisfaction is requested and approved the speech requirement would be met.

To initiate the alternate satisfaction request/review process:

Complete the Alternative Satisfaction Survey, which is now active at <https://web.spcollege.edu/survey/21215>:

Before you begin filling out this form, be sure to have the following available to upload:

- 1 - The syllabus of the course you wish to use to satisfy an SPC course (PDF or Word formats only).
- 2 - If the course was completed at another institution, an unofficial or official transcript (PDF or Word formats only).

## Evaluating/Posting Transfer Credit to Your SPC Records

Direct questions regarding transfer credit evaluation to [transcript.evaluator@spcollege.edu](mailto:transcript.evaluator@spcollege.edu)

**\*\*Students need to send an email from their SPC email address and include the following information when contacting Central Records:**

Student Name and SPC Student ID Number

Course prefix, number, title and term/year completed as it appears on student's original transcript

## Accessibility Services

St. Petersburg College is committed to providing quality education and services to all students by ensuring that admission, academic programs, support services, student activities, and campus facilities are accessible to and usable by qualified students with disabilities. Each specific health program has its own [technical standards](#) which all students must meet with or without an accommodation(s). To help students achieve success, Accessibility Services works with students, faculty, and staff to coordinate the provision of reasonable accommodations. To put your accommodations in place, please contact the Health Education Center (HEC) Accessibility Services (AS) at 727-341-3721 or <http://go.spcollege.edu/accessibility/> even if you are registered with another campus.

St. Petersburg College is committed to equal access/equal opportunity in its programs, activities, and employment. For additional information visit [spcollege.edu/eaeo/](http://spcollege.edu/eaeo/)
