Ensuring Course Requirements are Satisfied

*It is the student’s responsibility to make sure transfer coursework meets the course requirements for SPC.

Courses that transfer in as “Elective” 1999, 2999, 3999 or 4999 prefix do not satisfy requirements. The student may request Alternate Satisfactions for the specific course to see if the course will meet the specific requirements.

Ex: If speech transfers in as: SPC 1999 it does not meet the requirement for speech. If an alternate satisfaction is requested and approved the speech requirement would be met.

To initiate the alternate satisfaction request/review process:

Complete the Alternative Satisfaction Survey, which is now active at https://web.spcollege.edu/survey/21215
