

# Customized language training

The St. Petersburg College International Language Institute offers programs tailored to the needs of companies interested in improving their skills in a foreign language including:

- Needs assessment
- Multi-level training
- Customized curriculum
- Flexible program dates, length and intensity
- Scheduled at the business location or our site
- Professional, qualified instructors
- Distance-learning options

The International Language Institute is located at the EpiCenter. Please feel free to contact us, for additional information on how we can provide custom training at SPC or at your business location.
