Program Updates

Programmatic end of program occurred March 31, 2017. Program data is being calculated/verified. Final program metrics will be shared at next Advisory Board meeting.

Program Participants: Number of students served during grant period - 564
Certification Results: Number of SCPro Fundamentals Industry Certifications earned during grant period- 906

Program Sustainability (Post March 31, 2017)

- Non-credit supply chain program has transitioned to SPC Workforce Institute (Corporate Training).
  - Program cost - $199 per certification track (cost of initial exam)
  - Retake exams – 1st retake - $25, 2nd retake (final retake) - $50
  - Program is currently available fully online (self-paced).
  - Program cost includes access to online course material/portal.
  - Workforce Institute can also offer certification training onsite w/instructor (cost structure will vary). Workforce Institute is also exploring bundling program options.

- LINCS Supply Chain Advisory Board – Members were invited to join the College of Business (COB) Advisory Board and continue to offer industry guidance and direction. The COB Advisory Board meets 2x per year (fall/spring). Additional meetings may be scheduled as needed. Additional information will be provided at June LINCS Advisory Board meeting.
  - Invitation was also extended for members to join the College of Business Hospitality Advisory Board.
New SCM Program Offerings

- **For-Credit Courses** – Thank you for your past feedback! If you have any additional suggestions/feedback, please share information directly with Marta at Przyborowski.marta@spcollege.edu.

- **Students** who have earned the following SCPro Fundamentals industry certifications can earn up to 6 college credits toward SCM certificate or Business Administration A.S. degree (SCM track/concentration):

  - Customer Service Operations
  - Demand Planning
  - Supply Management & Procurement
  - Manufacturing & Service Operations

- **Simulation** – **The Fresh Connection** – We are exploring the Fresh Connection simulation as a possible activity for one of the SCM courses.
  - The simulation provides an interactive ‘value chain experience’ for students.
  - AB Members expressed interest in a product demo session. A future date will be arranged with The Fresh Connection and AB members will be notified.

- **Internships** – Starting fall term 2017, all business tracks/concentrations (within 2-year Business Administration A.S. degree and certificate programs) will contain required Internship course. Our goal is to increase the internship opportunities for students.
  - Please let us know if your organization is interested in creating an internship program.
    - CareerEdge Funders Collaborative offers internship funding.

Past Events

Past SCM events were well received and provided students with an opportunity to learn more about SCM industry and network with industry professionals. **Thank you for your invaluable input and participation!!!**

**Past Events:**
- **We Mean Business** – Jan. 24, 2017 - EpiCenter
  - Recruitment Day – Feb. 21 (4:30 to 7 PM) – EpiCenter - Recruitment agencies were invited to share open opportunities with students. Event was open to the public.
- **Get Hired!** - Career Exploration Event – March 21 – Panel discussion with industry experts. Event was open to students and public.

Next Meeting

Please Save the Date. Next meeting tentatively scheduled on:

**Tuesday, June 20, 2017 at 5:30 PM - Location: TBD**
