Minutes

Agenda item: Trust Fund financials

Discussion: It was reported that we have received the expected Trust Fund monies increase for this year. We are a few months into the 2017 trust fund year and a review of the upcoming scheduled classes delivered. It was also stated that the current calendar reflects the newest scheduled classes, some created to allocate the increased funds.

Agenda item: Scheduled and projected courses

Discussion: SPC coordinators reviewed their scheduled classes and requested feedback regarding relevant or needed training.

- ✓ The possibility was solicited to use other SPC facilities for training such as in the north county area. The idea was received favorably and will be investigated.
- ✓ Lauren Bley provided a listing of scheduled non-high liability classes.
- ✓ Paul Andrews discussed high-liability training and scheduling. SPC Shoot house is still out of commission and not yet replaced. Ideas were discussed in regards to a facility in the short term for any active shooter type training. Paul has discussed with instructors an advanced active shooter training to complement previous basic class.

Agenda item: Wrap-up around the table

Request around the room include:

Middle Management or Supervisory training. Chief Vincent stated that the Chief's association could possibly fund similar training.

Medical Marijuana information requested.

Radar training for newest hires. Lauren stated the after this current year monies, the next two radar classes will be trust funded.

Other Information

- ✓ Meeting adjourned at 3:15 pm
- ✓ Next meeting notice by email, next scheduled Wednesday, March 21, 2018 at 1:30 pm.
