EMT Daytime
Applied Technology Diploma
ADMISSIONS GUIDE

EMERGENCY MEDICAL SERVICES

ABOUT THE PROGRAM

Emergency Medical Technicians (EMTs) form the backbone of emergency medical services delivery in the U.S. and work in teams with more advanced providers. Our Emergency Medical Technical Applied Technology Diploma gives you the skills to excel in this field and a foundation for further EMS education and career advancement. The EMT-ATD is the first completion point in the EMS-AS degree.

07/27/2026 updated SK

***Transcripts/Transfer Credit:** Submitting Official Transcripts

- Transcripts must be received and evaluated by St. Petersburg College prior to the application deadline to ensure consideration. Please allow 30 days.
- We do not accept unofficial copies or unsealed official copies.
- International students, please refer to Submitting Official Transcripts
- Transcripts for course credit earned by exam(s) (e.g., AP, CLEP) must be provided from the originating testing agency.
- **If you have submitted updated transcripts from one institution, please verify that your most recent coursework is evaluated and posted to your SPC record.**

***Alternative Satisfaction**

- Transfer courses for which there is no direct SPC equivalent will be posted as elective credit and designated with a number ending in "999"; additionally, upper division (300/3000 level or higher) transfer credits do not automatically post to your SPC record.
- Upper division coursework (transfer or SPC) will not automatically satisfy admission requirements; it must be requested by the student.
- If you believe a course posted as an elective should satisfy a degree requirement, or you would like an upper division course be used to satisfy a lower division course, please complete the Alternative Satisfaction Survey
  A copy of your transcript from the former institution and a course syllabus will be required.
  *All transcript/transfer credit questions can be directed to Advising at SPC || St. Petersburg College

Program Information

- The EMT-ATD program will prepare students for the national EMT Certification Exam.
- Up to 36 students admitted Fall and Spring; 12 in Summer
- Clinical facilities may prohibit students who do not have an assigned social security number from participating in clinical experiences which are a mandatory component of the curriculum. If other placement options are not available, the student would need to withdraw from that semester and would not be able to progress in the program. These factors must be taken into consideration prior to pursuing admission to the program.
- This program is offered at the SPC Health Education Center at 7200 66th St N, Pinellas Park, FL Fall and Spring terms. In Fall terms, a cohort will be available in Tarpon Springs at 600 E Klosterman Rd, Tarpon Springs, FL
