

SPC has moved most F2F/Blended courses into the LIVE ONLINE format for the Summer (590) semester. LIVE ONLINE classes will meet the VA criteria for face-to-face class time during the Fall semester.

Additionally, below is a list of all classes that would have been offered in either a face-to-face format or a blended format (meeting VA standards for F2F time), if not for the COVID-19 Pandemic. Please sign up for at least one of these courses, or a course coded as "LIVE ONLINE" over the Fall semester if you wish to be counted as an in-resident learner.
