IMPORTANT STUDENT INFORMATION

ACADEMICS

Academic Calendar

There are many dates that are important for you to know, such as when classes begin, deadlines for withdrawing, dates of college holidays, and final exam schedules, to name a few. For the most up-to-date information, visit the online Academic Calendar at spcollege.edu/calendar.

Accelerated Credit Options

SPC wants to help you finish your degree. You may bring in up to 45 college credits through your life experience, military training, industry certification, test credit, and articulation agreements recognized by the college. Check with your advisor to learn more about each of these options.

Visit spcollege.edu/earn-free-college-credit

Career and Academic Advising

Career and Academic Advisors will help you get started by discussing your career and educational goals and will be available to guide you throughout your entire SPC experience. At SPC, advisors can help you with registration, course planning, degree program exploration, transfer information and much more!

To find your advisor, visit MySPC. Then, click on the My Academics tile and look for My Advisor in the navigation bar. If you have an assigned advisor, you will be able to link to the advisor's webpage for their contact information and schedule an appointment. Have a quick question? Login to our Virtual Advising Center or walk-in on campus for assistance.

Check out all the ways to connect with an advisor by visiting **spcollege.edu/advising**.

Computer Labs

Computer labs are available on campuses to meet your academic technology needs. Computers include Microsoft Office and other academic related software. You must have a valid student ID, and, in most cases, an SPC student username and password to log on to a computer. You should also use a flash drive or cloud-based account to save your work. Find out more about locations and hours at **spcollege.edu/computer-labs**.

Enrollment Verifications

An enrollment verification is an official document verifying your enrollment status, attendance dates, and good academic standing. You can obtain up-to-date information on your enrollment status and student loan notices online in the MySPC portal.

You can:

- Download and print enrollment verification certificates to provide to third parties
- Find out when deferment notices were sent to your student lenders
- · View your enrollment history
- View proofs of enrollment sent on your behalf to student service providers
- Get a list of your student loan holders
- · Print good student discount certificates

To access the National Student Clearinghouse:

- · Log into your MySPC portal
- · Choose My Academic Status
- Select the Enrollment Verification option from the left-hand menu

Excess Hours Advisory Statement

Section 1009.286, Florida Statutes, establishes an "excess hour" surcharge for a student seeking a baccalaureate degree at a state university. It is critical that students, including those entering Florida colleges, are aware of the potential for additional course fees. "Excess hours" are defined as hours that go beyond 120% of the hours required for a baccalaureate degree program. For example, if the length of the program is 120 credit hours, the student may be subject to an excess hour surcharge for any credits attempted beyond 144 credit hours (120% x120).

All students whose educational plan may include earning a baccalaureate degree should make every effort to enroll in and successfully complete those courses that are required for their intended major on their first attempt. Florida college students intending to transfer to a state university should identify a major or "transfer program" early and be advised of admission requirements for that program, including the approved common prerequisites. Course withdrawals and/or repeats, as well as enrollment in courses nonessential to the intended major, may contribute to a potential excess hours surcharge.

FloridaShines

FloridaShines offers an array of FREE online tools and resources designed to help students succeed in school, earn a college degree, and embark on a rewarding career. MyCourses Learning Management System

MyCourses is the learning management system used at St. Petersburg College to help facilitate all online and hybrid/blended courses, as well as the college's web-enhanced courses offered in a face-to-face or Live Online environment. MyCourses is a convenient online system that provides students with many opportunities to interact with course materials and communicate with instructors and classmates from any internet-connected device, including iPads, tablets, and mobile devices.

To access MyCourses, click Titans Login on the topright of the SPC homepage and use your SPC email address and password to log in. You will land on your Titan Hub dashboard. Within your Titan Hub dashboard, you will be able to select the MyCourses Widget or click the MyCourses link on the left-side menu. Once you are logged in to MyCourses, the courses in which you are enrolled will appear on the left side of the page. A calendar with important college dates and college news will appear in the middle, along with a list of student resources on the right.

Also available in MyCourses is the "Introduction to MyCourses" course. The course aims to provide an overview of the MyCourses environment and allows students to interact with some of its most commonly used tools. The course consists of five modules and each one covers a topic related to student success and the use of online learning tools.

Online Classes

SPC offers a robust selection of online college courses and fully online programs. Most SPC programs can be completed 100% online. Online students have access to all student support services and the opportunity to participate in college activities either on-campus or online. Learn more about becoming an online student at **spcollege.edu/online.**

Testing

Taking a College Placement Test (CPT) helps determine what reading, English, and math courses you should register for at SPC. This is not a pass/fail test. Test scores are used to help you decide what level classes you should start with to help you be more successful. SAT and ACT, and Classic Learning Test (CLT), test scores may be used in lieu of the CPT. The CPT is required unless you entered ninth grade

in a Florida public school in the 2003-04 school year or later and graduated from a Florida public high school with a standard high school diploma or serve as an active duty member of the United States military. The college offers college placement tests (PERT, Accuplacer) free of charge for all incoming students. For testing locations and hours, including distance testing, as well as test preparation resources and more, visit spcollege.edu/testing.

Transient Students

At SPC, there are two types of transient students. The first type is an SPC student who wishes to remain degree-seeking at SPC but take a class at another college or university to accelerate degree completion. The second type is a student who is degree-seeking at another institution but wishes to take one or more classes at SPC. Information on both types of transient students and requirements and procedures for approval can be found at **spcollege.edu/transient-students**.

Transcripts

Your SPC transcript is the official, permanent academic record that includes the classes you have taken, grades earned for each class, honors, and degrees completed. Official transcripts may be ordered by selecting the "Transcripts" option from the QUICKLINKS on spcollege.edu. Current students may also order official transcripts in MySPC. Visit spcollege.edu/transcripts.

Transferring to SPC

If you attended another college or university and want to attend SPC, you are considered a transfer student. To be admitted to SPC, you will need to submit official transcripts from every regionally accredited college that you've attended. It's very important that SPC receives all of your official transcripts within your first term of admission or re-admission, as it may impact your ability to enroll for subsequent terms. Students enrolled in a degree-seeking program will have a one-term grace period to submit all official transcripts. Giving your complete educational history to SPC allows you to:

- · Receive credit for your previous work
- Minimize the potential for repeating courses at SPC that you already successfully completed elsewhere
- Simplify the registration process
- Save you time and money

Please note that limited-access programs may require receipt of all official transcripts for program admission, regardless of accreditation type.

Tutoring and Classroom Support - Free

The Learning Centers provide free on-site and online tutoring for writing, math, and science courses taught at SPC as well as computer assistance to help with software-enhanced coursework, MyCourses navigation, and/or basic computer applications. Make an appointment with our instructional support team at spcollege.libcal.com for optimal service. In addition, Tutor.com provides supplemental on-demand service during evenings, overnights, and weekends for free through MyCourses. All of this support is available whether you are doing well in a class or just need some extra assistance. Visit **spcollege.edu/tutoring**.

Academic Policies

College Preparatory Courses

If your test scores indicate that some review is needed, you may be required to take college preparatory classes that do not count toward your degree. These courses teach skills in academic fundamentals, so you'll be ready to meet the challenge of college-level course work. Students who need college preparatory courses are required to take a College Success Skills course. Free tutoring also is available in the Learning Centers at each campus. For students who do not have SAT, ACT or Classic Learning Test (CLT) scores, the college offers placement tests (PERT, Accuplacer) free of charge. If you entered ninth grade in a Florida public school in the 2003-04 school year or later and graduated from a Florida public high school with a standard high school diploma or serve as an active duty member of the United States military, then you have choices regarding college preparatory courses. Depending on your decision, you may choose to quickly complete one to two credit courses that target specific areas for improvement, take free work-at-your-own-pace classes to get ready for college-level math, reading and writing, or enroll directly into college-level classes. Our Advising Centers can provide a quick assessment to help you decide what is right for you.

Common Prerequisites

If you plan to enroll in an upper-division program at SPC or transfer to an upper-division program at a state university in Florida, you will need to complete the state mandated prerequisites required for your major as part of your Associate in Arts (A.A.) degree. This means you will not have to take one set of courses to qualify for admission to one university and another set of courses for another university. Limited-enrollment programs may have GPA requirements, but course requirements will be the same across Florida institutions. You can find the requirements for about 250 university majors and track your progress toward completion through the A.A. transfer evaluation tool on the FloridaShines website at **floridashines.org**.

Academic Appeals

Before lodging a grievance or appeal, you are encouraged to seek an informal resolution with the employee in the department or course faculty directly responsible for the service or department of instruction. If the matter is not resolved during the informal process, you may file a formal grievance or appeal using the appropriate steps provided at spcollege.edu/appeals. When submitting a grievance or appeal, please provide as much information and documentation as possible. For detailed information see Board of Trustees' procedure P6Hx23-4.36 (Student Grievances and Appeals), P6Hx23-4.46 (Program-Based Good Academic Standing, Academic Warning, Probation, Suspension, and Dismissal), and P6Hx23-4.461 (Academic Affairs: Academic Honesty Policies). Visit web.spcollege.edu/botrules for more information.

Academic Honesty Policy

SPC expects you to be honest in all of your academic work. By enrolling at the college, you agree to adhere to high standards of academic honesty and integrity and understand that failure to comply with this pledge may result in academic and disciplinary action, up to and including expulsion from the college. As a member of the college community, you also have an ethical obligation to report violations of the SPC academic honesty policies you may witness. Visit spcollege.edu/student-rights.

Academic Standing Policy

Good academic performance and a clear path to the finish are keys to your success at SPC. These policies, which apply to all students, have been put in place to help you stay focused on your goal and get you back on track if you falter. All degreeseeking students enrolled at SPC must adhere to the Academic Standing Policy.

Visit spcollege.edu/student-rights.

Course Load

The maximum course load is 18 credit hours in regular Fall and Spring terms and 12 credit hours in the Express and Summer terms. SPC has developed the Credit Hour Commitment Model to help you determine the appropriate course load for each term. For every one credit hour enrolled, 48 hours of time should be committed. This commitment includes both time spent in class as well as time spent completing assignments and preparing for coursework. For example, a 16-week three credit hour class would require 144 total hours of commitment or nine hours for each of those 16 weeks. Classes that meet for less than 16 weeks will require larger weekly time commitments. Please see the table below. You should consider work, family, and other responsibilities when determining the appropriate course load.

Session Type	Credit Hours	Total Hour Commitment	Weekly Commitment
16-week	3	144	9 hours
10-week	3	144	14.4 hours
8-week	3	144	18 hours
5-week	3	144	28.8 hours

Repeat Policy for College Credit Courses

You may repeat a course once for which a grade of "C" or higher has been earned. Retaking the course may be allowed if it is required for: (1) teacher recertification, (2) specifications of a regulatory agency, (3) licensure, (4) program requirements, or (5) it is to replace credit earned through examination, i.e. AP, IB scores. Repeating a course to meet program requirements must be for either the purpose of improving the grade to be considered for admission to a specific program or a significant length of time has elapsed since the course was originally taken and you need to update your knowledge to meet current program requirements. Under this provision, the highest grade earned will be used in computing the average GPA.

You may request to repeat a course following the appropriate steps at **spcollege.edu/student-rights**. See BOT Procedure P6Hx23-4.15 at **web.spcollege.edu/botrules** (Sec. I).

When you attempt a course for the third or more time, you will pay the full cost of instruction (defined as the out-of-state tuition and fees rate). You may appeal the full cost provision on the basis of extenuating circumstances and on an individual basis related to financial hardship.

You may file an appeal using the appropriate steps provided at **spcollege.edu/appeals**. Be advised that on the third attempt, students MAY NOT receive a grade of "I," "W," or "X," but must receive the letter grade earned. See BOT Procedure P6Hx23-4.15 on **web.spcollege.edu/botrules** (Sec. II).

Incomplete Policy

If you are given an incomplete (I) you will have until the end of the next full 16-week term to complete the remaining requirements and receive a permanent grade, or the grade will convert to an "F." This means if you receive an incomplete at the end of Term I, you must complete the remainder of the course work by the end of Term II. The only exception to the time frame is for an "I" granted at the end of Term II. In that instance, you would have until the end of the next 16-week term, which would be Term I of the next academic year. See BOT Procedure P6Hx23-4.15 at web.spcollege.edu/botrules (Sec. IV).

Voluntary Audit/Withdrawal Policy

You must choose the option to audit a course before the end of the drop/add registration period. You may elect to withdraw voluntarily from a course through the last day to withdraw with a final grade of "W." These dates are listed in the academic calendar on the college's website. If you voluntarily withdraw after the last day to withdraw, you will receive a grade of "WF."

If you are a financial aid recipient and are thinking about dropping classes, please consult an advisor to make sure you understand the academic and financial consequences.

FINANCIAL AID

Not sure how to pay for college?

Financial Assistance Services provides guidance on grants, scholarships, student employment, and loans to help pay college expenses. Log in to MySPC for instant access to your financial aid information under the Financial Aid tile, or visit **spcollege.edu/financial-aid** for a step-by-step checklist to apply for financial aid and the most up-to-date information on a wide range of topics.

FSA ID (Federal Student Aid ID)

Create your FSA ID at **studentaid.gov** before beginning to complete the FAFSA. It only takes a few minutes, allows some data to autofill in the FAFSA and could prevent processing delays.

FAFSA (Free Application for Federal Student Aid)

To apply for financial aid, you need to complete a Free Application for Federal Student Aid (FAFSA) at **studentaid.gov**. The information you provide determines whether you qualify for federal, state, and college grants and federal work-study and loans.

Calculating your Financial Aid Award Package

Federal and other types of financial aid are based on financial need. Using the data collected on the FAFSA, financial need is calculated as follows:

Cost of Attendance less Student Aid Index = Financial Need

We use this formula and individual fund requirements to determine your financial aid awards.

Visit spcollege.edu/financial-aid-award-package.

Receiving Funds

You begin receiving financial aid refunds at the end of the fourth week of classes of the earliest session in which you are enrolled. If you are enrolled only in Express Session or Second 8 Week Session, your financial aid will be refunded at the end of the fourth week of that session. It is your responsibility to understand the attendance policies of all courses in which you are enrolled.

Visit spcollege.edu/receiving-financial-aid.

Tuition and Fees

SPC deducts tuition, fees, the Book Line of Credit and the First Day Book Program charges from your financial aid award amount. If your award amount is less than the cost of tuition, fees, the Book Line of Credit and the First Day Book Program, you must pay the difference by the tuition due date.

Visit spcollege.edu/receiving-financial-aid.

Less than Full-Time Enrollment

If you attend less than full-time during any term, your Cost of Attendance and financial aid award amounts will be adjusted. This could result in a reduction or removal of loans or other financial aid.

Visit spcollege.edu/less-than-full-timeenrollment.

Book Line of Credit (BLOC)

If your financial aid exceeds your tuition and fee charges, you may charge up to \$800 in books, course materials, supplies, and equipment using the Book Line of Credit (a short- term, interest-free loan) at campus bookstores.

The amount of your BLOC is based on projected financial aid that will be refunded at the end of the fourth week of your classes. The bookstore will have your information on file and will apply your available BLOC charges against your student account.

Visit spcollege.edu/book-line-of-credit.

Disbursements

Disbursements occur when SPC receives federal, state, or other funds on your behalf. These funds are disbursed to your student account to cover your tuition, fees, the Book Line of Credit and First Day Book Program charges. The disbursement date is the date you will see in MySPC; however, this is not the date your excess funds are refunded to your refund option choice.

Loan disbursements – If your loan is for fall and spring, it will be disbursed in two payments, one half during the fourth week of your fall enrollment and one half during the fourth week of your spring enrollment. If your loan is for one term only, the entire loan will be disbursed in one payment during the fourth week of your enrollment for that term.

Visit spcollege.edu/financial-aid-refunds.

FINANCIAL AID

Refunds

Financial aid refunds occur when the amount of the disbursements received on your behalf is greater than the amount owed for tuition, fees, the Book Line of Credit and First Day Book Program charges. The excess funds will be refunded to the refund option choice you made with BankMobile Disbursements, a technology solution, powered by BMTX, Inc. Visit https://disbursements.bmtx.com/refundchoices/ for more information.

Financial aid refunds begin at the end of the fourth week of classes of the earliest session in which you are enrolled. Visit spcollege.edu/financial-aid-refunds for refund dates and other details.

Student Employment Pay

Students working through student employment programs of Federal Work Study, America Reads, America Counts, or Student Assistants will receive their paychecks bi-weekly through the mail or directly deposited into their bank accounts. Visit spcollege.edu/student-employment.

Satisfactory Academic Progress

Federal regulations require that all students who receive financial aid demonstrate that they are moving through their academic program at a reasonable rate and are making progress toward their degree in order to continue receiving financial aid. Visit **spcollege.edu/sap**.

Withdrawing from Class

CAUTION: If you are a financial aid recipient and are thinking about dropping one or more classes or withdrawing from the college, please consult a financial aid counselor first to be sure you understand the consequences of this decision. Visit **spcollege.edu/withdrawals.**

Appeals Process

SPC values due process and fundamental fairness in its policies and procedures. Students may appeal certain determinations made and actions taken by the college according to the **Board of Trustees Student Grievances and Appeals Procedure**P6Hx23-4.36 located at **spcollege.edu/BOTrules**. An appeal is a formal request asking for a change in a determination made or actions taken by the college; when submitting a grievance or appeal, please provide as much information and supporting documentation as possible. For additional information on appeals and to submit an appeal online, visit **spcollege.edu/appeals**.

Complaint Policy

SPC is always looking for ways to improve. We are committed to providing prompt and fair resolution of all student concerns and strive to make the process of communicating such concerns as easy as possible. We take these concerns very seriously and the information below outlines this process. Examples of student complaints related to this policy include matters relating to college facilities (services received, facilities, etc.) or other services such as the college bookstore, student services, or campus cafeteria. To make a formal complaint:

- Access the college's Student Complaint website at spcollege.edu/complaint.
- Complete and submit the online complaint form. If you are unable to submit an electronic form, a college employee may submit the form on your behalf.
- Your complaint will be routed to the appropriate department and you will receive confirmation of receipt within 24 hours (not counting days the college is closed) that the complaint has been received.
- 4. The complaint will be processed and you will be notified of the resolution in writing.

Academic appeals and student grievances are not considered complaints and should be lodged through the formal student grievance/appeal process found in P6Hx23-4.36 located at **spcollege.edu/botrules**. If you have an academic grievance or appeal, please utilize this process. Students or third parties who have a disability or accessibility related grievance and who are alleging disability discrimination in violation of Section 504 of the Rehabilitation Act of 1973 should follow College Procedure P6Hx23-4.364 for information on informal and formal grievance processes. Visit

Reporting Abuse of a Minor

Under Florida Law, all persons have a legal obligation to report suspected instances of child abuse, neglect or abandonment, regardless of whether an alleged perpetrator is the child's parent, legal custodian, caregiver or other person responsible for the child's welfare. Get more information on reporting obligations at the Florida Abuse Hotline (1-800-962-2873) or online via the website Florida Department of Children and Families website.

In addition, Florida college administrators are obligated to timely report, under penalty of law, any knowledge or reasonable suspicion that an abuse, neglect or abandonment of a minor has occurred on college property or during a college sponsored activity, event or function. All students and employees who have knowledge of, or have reasonable cause to suspect, the abuse, neglect or abandonment of a minor on campus must report such knowledge or suspicion to Campus Security (727-791-2560) and to the Campus Provost, and as may be appropriate, to the Florida Abuse Hotline. For more information regarding the definitions of abuse and neglect, sanctions for non-compliance, and reporting obligations of college employees, please see the Board of Trustees' College Procedure at Reporting Abuse of a Minor.
