

RN-BSN Major Core Courses (Required): Sample Schedules (starting Fall 2024)

The following sample schedules are intended to give prospective students an idea of how they might progress through the RN to Bachelor of Science in Nursing program based on their time of admission. This is a sample schedule for the required major core courses.

If you have additional graduation requirements (e.g., foreign language, upper division credits, general education, etc.), then, go to the 'Courses' tab on the website and scroll down to click on the link for 'View the Recommended Academic Pathway' for sample schedules based on your specific needs. *It is essential to contact your advisor to design a schedule that meets your individual needs based on your graduation requirements.*
