

MISSION STATEMENT

The mission of St. Petersburg College, College of Nursing is to empower our students to achieve success through pursuit of inquiry, advocacy, and a commitment to lifelong learning as they provide care to diverse communities.

PHILOSOPHY

The College of Nursing shares the mission of St. Petersburg College to promote student empowerment. Our graduates are prepared to support optimal health for our diverse community. Our goal is to provide excellence in nursing education through immersion in the current evidence base that supports our profession and results in a lifetime commitment to furthering their knowledge, skills and attitudes. We believe this goal can be met by incorporating into our curriculum the core values of our profession, applying evidence to practice, and promoting practice consistent with contemporary standards.
