

CONFIRM YOUR INTERNET CONNECTION

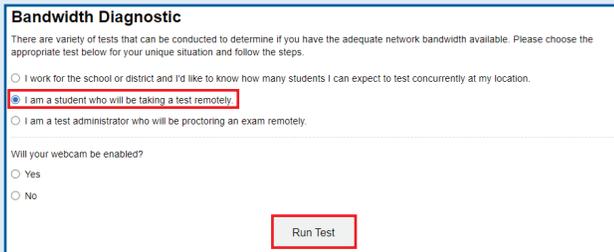

1 Launch Secure Browser and select **Go to the Sample Items Site**.

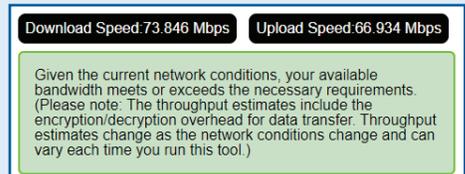

2 Select **Run Diagnostics** and **Network Diagnostics** page appears.

3 Select *I am a student who will be taking a test remotely*. Indicate that you will use a webcam. Click **Run Test**.

4 Results will show if internet speed is fast enough. If not, contact student's teacher before testing.

Clear Cache and Cookies

If you have any issues with the above, a common solution is to clear your cache and cookies. Select the link for your browser and follow the provided instructions: [Chrome](#), [Firefox](#), [Microsoft Edge](#), [Safari on Mac](#), [Safari on iPad](#).
