Engineering Technology

Gain **FREE** college credit by enrolling in the Engineering Technology program offered at certain Pinellas County high schools.

Claim your FREE College Credit

If you are good in math and science, pay attention to details and like to know how things work, then a career in engineering may be right for you. Enroll in the Engineering Technology program at your high school, and you may earn college credits toward an Associate in Science (A.S.) degree in Engineering Technology.

High school courses	SPC courses	Cr	SPC Degree
Engineering Technology I (8600570)	EET 1084C Introduction to Electronics	3	Engineering Technology A.S.
Engineering Technology II (8600670)	ETI 1420C Manufacturing Processes and Materials I	3	
Engineering Technology III (8601770)			

After you complete your Engineering Technology A.S. degree at SPC, you may choose to go directly into the workforce or continue at SPC to earn your bachelor's degree in Sustainability Management.
