

Industrial Biotechnology

Gain **FREE** college credit by completing Industrial Biotechnology academy courses offered at certain Pinellas County high schools. To potentially qualify for the free SPC credit, earn academic grades B or higher (both semesters) and one (1) full credit in all the high school academy courses listed below.

The free credit earned may be used toward any of the Associate in Science degree programs listed below, or it may be applied to general elective requirements for an Associate in Arts degree at SPC.

Get more details on **FREE** college credit on our website: spcollege.edu/connect.

Potential
Savings of \$350
or more
